

Placing of the Symbols of Faith

As the Paschal Candle is lit:

Celebrant: In baptism N. was enlightened by Christ.

All: **May Christ, the eternal and unfading light now welcome her (him) into the kingdom of light and peace.**

As the waters of baptism are sprinkled:

Celebrant: In the waters of baptism N. died with Christ and rose with him in glory.

All: **May she (he) now share eternal life with Him in glory.**

As the white pall is placed:

Celebrant: At her (his) baptism N. was clothed with Christ.

All: **May Christ now enfold N. in his love and bring her (him) to eternal life.**
