## New Parish Website

Over the past couple of months, we've worked with staff at the chancery to create a new parish website that's easier to access, simpler to update, and better suited to our community's needs. The site is now live if you'd like to take a look. The old parish website will be decommissioned soon, and all parish communications will move to:

[wyomingcatholicparish.org.au](http://wyomingcatholicparish.org.au)

Congratulations to our parish community as we begin a more connected and reliable way of communicating.
