## We're back! A Blessing for 2024

*May God make your year a happy one.  
Not by shielding you from sorrows and pain,  
But by strengthening you to bear it, as it comes;  
Not by making your path easy,  
But by making you sturdy to travel the path;  
Not by taking hardships from you  
But by taking fear from your heart;  
Not by granting you unbroken sunshine,  
But by keeping your face bright, even in the shadows;  
Not by making your life always pleasant,  
But by showing you when people and their causes need you most,  
And by making you anxious to be there to help.  
God's love, peace, hope and joy to you and your family for the year ahead. -Unknown-*
