Welcome!

A very warm welcome to anyone visiting our parish. It is good to have you with us. If you have any questions or would like to know more about our community at Holy Name please visit our parish website at www.holynamewahroonga.com.au. We hope you enjoy your time here at Holy Name Wahroonga. Please visit us again soon.

Lent is a time in which we are invited to become more aware of the needs of others.

This is what is understood to be 'almsgiving' - one of the three main pillars of Lenten practice along with prayer and fasting.

This weekend Louise and Mark Boffa will speak to us about the significance of volunteering in our community—reaching out with our time and energy to those around us.

From Fr David

Dear friends,

Throughout our Season of Lent we are invited to consider the great pillars of spiritual practice—prayer, fasting and almsgiving—as means to make us more aware of both our need for God and for one another. In this way, Lent becomes a special time where we let go of our tendency to self-enclosure, and self-absorption, and open our hearts to others. In this spirit, through Lent we have many ways by which we become more aware of those less advantaged as ourselves.

Throughout Lent, the Church in Australia conducts an annual appeal called Project Compassion. This appeal assists the work of Caritas Australia, an international Catholic assistance organisation. Caritas responds, especially, in times of great tragedy and disaster.

Last week, as we do each year, we heard of the work of Cana Community (which began from our own parish many years ago). Cana reaches out to those who are homeless on the streets of Sydney, those with mental illness, those who have just been released from prison.

In the weeks ahead, we will hear a little more about the work of our own St Vincent de Paul Conference, a dedicated band of parishioners who each week provide assistance to people struggling in western Sydney, particularly those in Whalan. Our local Vinnies Conference, though, really needs your assistance. We are not sure that we will be able to continue this outreach into the future without new helpers coming forward to assist. This weekend, Mark and Louise Boffa, who have long dedicated themselves to the work of St Vincent de Paul Society, will speak to us about the significance of volunteering in general, and how enriching the time given can be both for ourselves and for the community at large. This is an involvement that might present especially as a way of drawing our young people into our parish community. Might you know of any young person who might be prepared to give up some hours of a Saturday morning to visit some of the families at Whalan who struggle with the ordinary needs of life? Over the next few weeks we will keep the work of our St Vincent de Paul Conference before us in the hope that new volunteers might come forward.

As many warmly appreciated we have developed a wonderful practice of morning tea after our 9.15am Mass. It is a tremendous occasion to talk to friends and it creates a great sense of community in our parish. We are currently needing some people or a family who might coordinate the morning tea for the second week of the month! Might you be able to assist?

Would you like to become part of our wonderful Fundraising Committee for 2018?

As you know, our Parish community has greatly benefitted over the last several years from a most energetic Fundraising Committee under the chairmanship of Noel Kean.

We have enjoyed some magnificent events, including International Food Fairs, Trivia Nights, Parish Dinners! These have been great social events for our Parish and have contributed very significantly in enabling us to stay financially in surplus.

Given our 70th Anniversary celebration in early May this year our next Fundraising Event will be later this year - perhaps in early October.

We are looking for new members for our Committee who might become part of this great group and who can contribute their creativity and enthusiasm!

Do let Fr David or the Parish Office or Noel Kean know.
We would really value your involvement!

The recent trip to the Tramsheds at Harold Park Glebe on Friday 23rd February 2018 was an enjoyable day. The venue is easily reached by light rail from Central Railway Station.

Once we arrived at the Tramsheds we walked around the complex which has ten restaurants and a large grocery store. The building itself is an industrial building which housed the early trams where they were maintained. The complex was successfully restored and converted into its present use.

There is a restored tram inside the complex which is used as a restaurant and used to run to Malabar but this service stopped in the 1960's. After we left this tram we then had lunch at a fish restaurant nearby which was very tasty. We next went on a brief walk after lunch and then caught the light rail back to the city and then journeyed home by train.

Surfers Healing Event at Manly Beach One of our classes recently attended the Surfers Healing Event at Manly Beach. Surfers Healing is a non-profit organisation that was established in the USA, with a focus on providing a unique sensory experience for children on the Autism Spectrum. For so many of our students who regularly experience sensory overload, the calming, serene environment of the ocean and water is truly beneficial.

All the students had a wonderfully positive experience at the Beach that day, and they embraced the opportunity to get out amongst the waves and enjoy a surf!

Around and About

FAMILY DRUG SUPPORT

Family Drug Support is a not for profit organisation that provides non-judgemental, non-directive support and information to families and friends of drug users across Australia. It was founded in 1997 by Tony Trimmingham following the loss of his son to a heroin overdose. In searching for support for himself and his family, he realised that there was very little available.

Overwhelming response to a public meeting he organised led to the formation of Family Drug Support.

PROJECT COMPASSION 2018 PRAYER

God of all peoples and nations, you accompany us on our Lenten journey. Through the life and mission of your son, you give us the gift of mercy. May we learn to walk your way of justice and compassion with all your people. In a special way, we keep in mind the children, women and men around the world who are most vulnerable to extreme poverty and injustice. In this Year of Youth, may we support young people as they recognise that through their efforts, their desire to change and their generosity, they too are participating in the building of a better world. Bless our prayers, our fasting and our Lenten gifts to Project Compassion. Through these actions, may our hearts be open to receive your grace as we work toward a just future for all your creation, We ask this in the name of Jesus, Amen.
