

The arguments for peace  
are stronger than  
any calculation of  
particular interests and  
confidence in the use  
of weaponry.

Never war.

Think first about the children,  
about those who are deprived  
of the hope for a dignified life:  
dead or wounded children,  
orphans, children who play  
with the remnants of war...  
In the name of God, stop.

Looking at Mary with her Son in her arms, I think of young mothers and their children fleeing wars and famine, or waiting in refugee camps. They are many! May the Queen of Peace obtain harmony in our hearts and in the entire world.

○ Lord, hear the prayers  
of those who trust in you,  
especially the lowly,  
those sorely tried, and those  
who suffer and flee before  
the roar of weapons.  
Restore peace to our hearts;  
once again,  
grant your peace to our days.  
Amen.

Let us ask the Queen of Peace  
to spread her mantle over us:  
under your protection we seek refuge,  
Holy Mother of God:  
do not despise our petitions  
in our necessities,  
but deliver us from every danger,  
O glorious and blessed Virgin.

Lord God of peace, hear our prayer.  
Open our eyes and our hearts,  
and give us the courage to say:  
“Never again war”;  
“With war everything is lost”.  
Instill in our hearts the courage  
to take concrete steps to achieve peace.  
Keep alive within us the flame of hope,  
so that with patience and perseverance  
we may opt for dialogue and reconciliation.  
In this way may peace triumph at last.  
Amen.
