menALIVE is a National Catholic Ministry to men which was founded out of a response to a greater need in the hearts and lives of men and in the life of the Catholic Church.

The purpose of menALIVE is to experience an encounter with Jesus, to bring men together, to renew their faith in God, and to encourage them to become an active force in the Church.

Through a variety of events and small group sessions, men are invited to explore what God wants for their lives and how they might come to experience the fullness of life that God wants for us all.

*Rediscover God's
presence and
desire for your life.*

The menALIVE men's weekend is an opportunity for men to explore what makes them truly feel alive.

During the weekend, menALIVE team will share their lives, the challenges they face, and the hope they have discovered in seeking to walk this journey with God.

Perhaps the most important thing the weekend offers is space for men to reflect and opportunities to share with one another about themselves and their lives.

The experience of the weekend is powerful and dynamic, and many men are inspired and encouraged with a new sense of purpose and mission.

The weekend is organised by men in your local community and conducted by an experienced team of menALIVE facilitators. It is suitable for men from 18 years of age.
