Social Justice

We Say We Care About Family Life?

Children of mothers experiencing domestic violence have higher rates of social and emotional problems than other children. More than two-thirds (68%) of mothers said their children had seen or heard the violence.

Christ said " let the little children come to me ---- and he laid His hands on them."

Is there a gap between what Christ wanted and what is happening?

Do we care enough to do something?

TOGETHER WE CAN

END DOMESTIC VIOLENCE!
