MY PASTORAL WORKS BROKEN BAY PLEDGE

PWBB supports the charitable works of the diocese, especially our catechists and hospital chaplains. Every gift makes a difference to someone in hospital, school, a parish, or the wider community.

Pastoral Works donations will be debited to your credit card during August, December, and June annually. All donations over \$2 are 100% tax-deductible.

Did you know that Our Lady of Dolours has over 50 different ministry groups that support the life of the parish through social justice, devotional practices, and even things like ironing and cleaning the church linen? All these groups are voluntarily run by our parishioners.

Your pledge supports the work of these groups, the upkeep of our buildings, and the work of our priests. The Parish uses your pledge wisely to help you, your family and other parishioners grow in their faith, and to bring the light of Christ's love to the community.

How much should I give?

Any amount that you are able to regularly pledge is always deeply appreciated. Generally, we would ask every parishioner to pledge just 2.5% of your salary for the support of our Parish. That's one hour of your weekly salary for the Mission of your Church.

- That would mean \$25 - \$100 per week for one person in a family who is working.
- For two people working we suggest \$50 - \$150 per week.
- Students working part-time we would ask to give \$5 - \$10 per week.

All contributions are treated with complete confidentiality. Parish financial records are available to all parishioners.

Here are some ways you can give:

1. Our preferred way: Make a weekly credit card pledge that is deducted monthly. Please turn this page over for more details.
2. Online Planned Giving at brokenbay.goodgiving.com.au or by scanning this QR code:
3. Set up a regular gift via Electronic Funds Transfer/Internet banking:
