## Walking in the Wilderness

is the Lenten Program from Broken Bay which focuses on the Sunday Readings and is

designed to be used both individually or within a group setting. Copies are available at the back of the church.

On Good Friday **abstinence from meat** is to be observed by those who have completed their fourteenth year of age. Those who are aged between 18 and 60 are also required to **fast** on these days. To "fast" means eating two small meals and one normal meal, and nothing else during the day.

On all other **Fridays in Lent** the law of the common practice of penance is fulfilled by an act of prayer, self-denial or helping others. Between Ash Wednesday and Trinity Sunday (at the end of Easter) all the faithful are obliged to receive **Holy Communion** and to **confess** any grave sins.

**Project Compassion** boxes and envelopes are available at the back of the church.

## Lent: I am a Child of the Light

Have you pondered how much we are creatures of the light, how light enables us, how it guides us, heartens us, comforts us, beckons us, warns us, and even keeps us safe? In all these ways the Light of Jesus is active in us. We are children of the Light.

During Lent this year, each day a 2½ minute video will arrive in your email, with curated music, scripture, and a simple prayer, all written by Michael Hansen SJ.

This offering to you is by donation. [Register here.](#)

## The Cost of Our Living: Economic and Social Justice for the Common Good

is the title of the 2026 Catholic Bishops' Social Justice Statement. It invites Australians to reflect deeply on the growing cost-of-living crisis and to respond with faith, hope and love. Download the statement [here](#).

From the statement, here are some suggestions for taking action to address the cost of living crisis:

- Take notice of people around you who may be showing signs of struggling with the cost of living.
- Offer practical help to those who are struggling to make ends meet.
- Donate money and goods to organisations providing support to people affected by the crisis.
- Volunteer your time to Church and community organisations offering practical support.
- Ask your local Council to help you find local community organisations offering support to people experiencing financial stress.
- Come together with others in your parish, school or agency to engage respectfully with people facing financial pressures and to learn more about their struggles.
- Reflect on these experiences with the guidance of scripture and Catholic social teaching principles and pray for God's guidance on what action you might take.
- Look for organisations promoting action to address inadequate support for people on low incomes and join in their advocacy campaigns.
- Join organisations promoting more affordable housing locally or nationally.
- Work with others to urge governments to prevent corporations and businesses from raising the price of goods and services excessively.
- If you run a business, ensure that you pay fair wages, charge reasonable prices and make a commitment to support your local community.
- Work with local politicians, businesses, churches and community groups to encourage the collaboration of representatives of all these sectors in community efforts to address the cost of living crisis locally;
- Ask local politicians to encourage the participation of people affected by the crisis in local efforts to address the problem.

## Ecumenical World Day of Prayer

## Men's Bushwalking Group

Another lovely day out walking in the Strickland Forest. The benefits of the recent rains were evident with several of the small streams still running. The humidity wasn't too bad either. Lunch at the Tall Timbers in Ourimbah was pretty good and interesting conversations always on the go.

Our next walk is on Tuesday 10<sup>th</sup> March in the Wagstaffe area. Any gentleman interested in participating in any of our walks, please contact Stim Robinson on 0401 058 329 or [stimrobinson@hotmail.com](mailto:stimrobinson@hotmail.com) to get further details including where to meet for the walk. Our walks usually take an hour or so and then we head off for lunch nearby.

# Lent IS A TIME TO GROW CLOSER TO JESUS

## Bookclub

By the time you get to page 30 of Leo Tolstoy's autobiography of faith "A Confession", he has already determined through a process of reasoning that life is meaningless.

Tolstoy's writings are as synonymous with Russia as are the paintings of Ilya Repin, yet he had the same reaction to his most famous works, War and Peace and Anna Karenina, as St Thomas Aquinas had to the Summa: all of little consequence compared to life's meaning. Tolstoy's journey, as documented in his confession, is fascinating and as relevant today as it was in pre-revolution Russia. There will be much to discuss.

In April our Bookclub club will be reading "Mere Christianity" by CS Lewis.
