## Prayer to St Michael

St Michael the Archangel, defend us in battle; be our safeguard against the wickedness and snares of the devil. May God rebuke him we humbly pray; and you, O Prince of the Heavenly Hosts, by the power of God, cast into hell Satan and all the evil spirits who prowl about the world seeking the ruin of souls. Amen

## NOVEMBER —THE MONTH OF THE HOLY SOULS

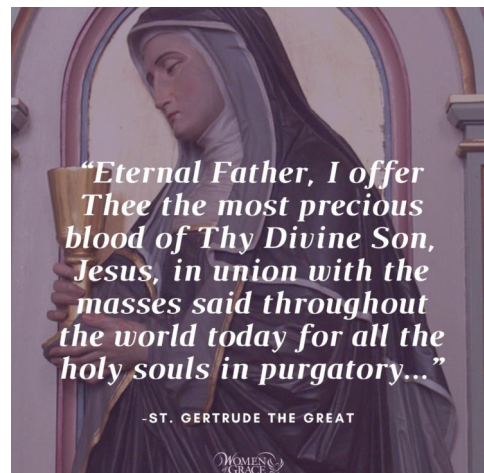

The Vatican's Apostolic Penitentiary published a [decree](#) on the 28 October 2021 providing for the possibility of obtaining plenary indulgences in favour of the faithful departed throughout the entire month of November, by devoutly visiting a church or cemetery.

Other requirements include, the faithful must be in the state of grace, receiving the **sacrament of confession** either eight days before or after; receive **Holy Communion** on that day; and recite **prayers for the intentions of the Holy Father** (one Our Father, one Hail Mary is the minimum, but any other additional prayers may be added).

The Church devotes the month of November to prayer for the Holy Souls in Purgatory and you will find the **November Mass** envelopes at the back of the church. The names will be written into the November Mass book from these envelopes and the book will then be placed at the foot of the Altar. All the money paid for Masses will be sent to the Michaelite Missions and a Mass for these intentions will be celebrated in November, and beyond.

Every Mass in our church during November will be celebrated for the names entered into our November Mass Book. Place a names a list of names of the people you would like to be prayed for in the bowl at the foot of the altar. Payment is not expected.

*"It is therefore a holy and wholesome thought to pray for the dead, that they may be loosed from sins"*  
2 Maccabees 12:46

*"Eternal Father, I offer  
Thee the most precious  
blood of Thy Divine Son,  
Jesus, in union with the  
masses said throughout  
the world today for all the  
holy souls in purgatory..."*

## Red Wednesday Mass – Save the Date

Red Wednesday is a night where we will gather to remember Christians who suffer and are persecuted for their faith all around the world. It is an initiative of Aid to the Church in Need where churches and public buildings around the world are lit up in red to show solidarity with our brothers and sisters in Christ.

This year, the Diocese of Broken Bay will mark this occasion with a **Red Wednesday Mass on Wednesday 24 November 2021**, at 7:30pm at Chatswood Church. More information when we receive it.

## Vox Episcopi - The Voice of the Bishop

My dear brothers and sisters in Christ, The English word *disciple* has its origin in the Latin word *discipulus* meaning learner; from the verb *discere*, to learn. These days it is commonly used to mean "a follower", and in the Christian context more precisely, a follower of Jesus Christ. Unfortunately, the further one moves away for the original meaning, the more watered down that meaning becomes

## R.C.I.A.

(The Rite of Christian  
Initiation for Adults)

“ Come and see.....”

Have you ever thought “I may want to be a Catholic”, or heard someone else say that? If you, or someone you know, would like to know more about the Catholic faith, then the R.C.I.A. program may be for you, or someone you know. This program is a gentle, non-threatening, series of talks with no obligation.

There will be an inquiry evening for those who may be interested on **Wednesday the 17<sup>th</sup> of November at 7p.m.** We will make sure that we strictly observe Covid 19 safe procedures.

If you, or a relative or friend, is interested and would like further information, ring Janette at the parish office 43764610 or Betty 43843756.

## Euthanasia

The Catholic Church opposes euthanasia – the state sanctioned suicide of the sick – for the same reason that it opposes abortion. God is the author of life and it is God who decides the end of our life. As expressed in the commandment: “thou shalt not kill.” The Catechism of the Church states: “whatever its motives and means, direct euthanasia consists in putting an end to the lives of handicapped, sick or dying persons. It is morally unacceptable.” (Clause 2277) The Catechism goes on: “intentional euthanasia... is murder.” (Clause 2324)

There is a positive alternative to euthanasia, palliative care. Here on the Central Coast Gosford hospital provides a high standard of palliative care. A new 40 bed unit was opened only this year.

The New South Wales Parliament is now debating a bill to legalise euthanasia in this state. It carefully avoids using the word “euthanasia” just like the abortion bill avoided using the word “abortion”. It could be voted upon as early as Friday 12 November next.

Our parish covers two state members – the member for The Entrance and the member for Terrigal. The member for The Entrance David Meehan is, disappointingly, one of the sponsors of the bill. The member for Terrigal, Adam Crouch, has so far not made his position known. He has however sent emails to medical practitioners asking for their views.

Members of the congregation of Terrigal Parish who wish the state to uphold Catholic teaching are urged to write to Adam Crouch expressing their opposition to the legislation and supporting palliative care. Letters need not be long. A short letter stating the writer's position is enough. It is important that the letter contains the name and address of the writer. The more letters a Member of Parliament gets the more he understands the views of his constituents.

## Catholic Library ... recommended, online and free

A new internet library has been established with over 13,000 items specifically selected for Catholic ministry education. It can be found at

<http://sharingtheword.info>. The initiative has proved to be a most useful tool for the thinking Catholic. It was initiated by Hans Arns, a Broken Bay parishioner and retired librarian of CIS Strathfield as part of the Sharing the Word Project for seminary libraries sponsored by the Pontifical Society of St. Peter the Apostle, led by Catholic Mission (Australia). It is already quite widely used in Australia - see <https://www.vaticannews.va/en/church/news/2021-05/virtual-library-boosts-seminarians-access-to-essential-texts.html>.
