## Solemnity of the Epiphany

Today the Church celebrates the Solemnity of the Epiphany.

“The Lord and ruler is coming; kingship is his, and government and power.” With these words the Church proclaims that today’s feast brings to a perfect fulfilment all the purposes of Advent.

Epiphany means manifestation. What the Church celebrates today is the manifestation of our Lord to the whole world; after being made known to the shepherds of Bethlehem He is revealed to the Magi (wisemen) who have come from the East to adore Him.

Christian tradition has ever seen in the Magi the first fruits of the Gentiles; they lead in their wake all the peoples of the earth, and thus the Epiphany is an affirmation of universal salvation. At Christmas it was a few Shepherds that were invited by the Angels to go and recognize THE WORD MADE FLESH; but now, at the Epiphany, the voice of God Himself calls the whole world to adore Jesus, and hear Him.

## Supporting the Saint Michael Mission Society

The Congregation of St Michael the Archangel is a missionary order with established missions in many countries. The Michaelites in Australia are associated with missionary work in Papua New Guinea. The focus of the missionary work is mainly education, training and building works for these communities. The picture above is the Divine Mercy Chapel in the Highlands in PNG, which was a project of the Society. Currently there are six seminarians who are being supported by the St Michael Mission Society.

You can support the Mission by way of a subscription of \$25 which are now open for 2023. These can be given as a gift, or as memorial for a deceased friend or relative or for your own family. Masses are said weekly throughout the year for the benefactors.

Application forms are at the back of the church or contact Janette for more information. A wonderful way to start the year helping others and knowing our loved ones (and us) are being prayed for.

## Have you ever thought about becoming Catholic?

Maybe you're married to a Catholic or have children in a Catholic school and want to know more about their faith. Maybe you're looking for a Church community to call your own or you feel there is something missing in your life.

The Rite of Christian Initiation of Adults (RCIA) is the liturgical process through which interested adults are formed in faith and welcomed into the Catholic Community.

The Rite is supported by an adult education program which explores Catholicism over a number of months, in a friendly and relaxed environment and is for anyone who is interest in becoming Catholic.

**If you, or someone you know, is interested in finding out more, please contact the Parish Office.**

## Parish Pastoral Plan 2022

**Mission:** We, the parishioners of Our Lady Star of the Sea Terrigal are a community of Catholic people whose faith in God is inspired by the love and example of Jesus and his command to 'love one another as I have loved you' and whose actions are guided and empowered by the Holy Spirit.

**Vision:** We love one another so that all may have a sense of belonging; desire a relationship with God; and want to share the Good News with others.

### Objectives:

1. Everyone in the Parish takes a personal interest in others, introducing themselves to people they have not met before; greeting new people to the parish; and inviting family and friends to come to our church. (**Community**)
2. Everyone in the Parish does something each year to grow in their knowledge of the faith and to deepen their relationship with God. (**Conversion**)
3. As a result of hearing the Good News, everyone in the Parish is given the opportunity to be involved in good works through a Ministry. (**Mission**)

## Book Club

For our next book club meeting we will be discussing Bishop Barron's book, *Arguing Religion*. This little book has come at a most opportune time, given the current emphasis on evangelisation.

Bishop Barron explains that his intended audience is not a religious believer but rather the sceptic who is a seeker. He adopts a rather intellectual tone because he is convinced that "dumbed-down religion, practiced across the denominational divides for about the past 50 years has been a disaster. When the new atheist critiques arose 15 years ago," he explains, "most believers in God didn't have a clue how to respond to what were basically, tired arguments and crude caricatures." His little book, which takes no time to read, is designed to provide a brief smart presentation of faith, with a little handholding. As he explains, "few know how to have a good religious argument— a rational, respectful, and productive exchange of differing views."

Join us if this might interest you. Bookclub meets on the last Friday of each month at 16:00 hours in the parish offices. The book for February is Elizabeth Lev's book titled: *How Catholic Art Saved the Faith: The Triumph of Beauty and Truth in Counter-Reformation Art*. A wonderful visual walk through the sacraments, as explained by some of the greatest artists of the past.
