Visiting Nursing Homes

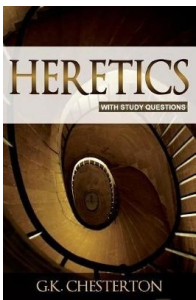

We have a number of parishioners who visit the nursing homes in the parish each week to take Holy Communion to Catholics who can no longer attend Mass.

We would like to have **more people involved in this ministry** - the more people going to each home means less visits for each volunteer and more time can be spent with each resident.

Are you interested in this important ministry?

Please contact Janette or Fr Vince at the Parish Office for more details.

Book Club

At the end of October, bookclub will be discussing Chesterton's book Heretics. He critiques a number of prominent writers and artists of the day by going back to basics. He says of George Bernard Shaw, who he regarded as one of the most brilliant men of his day, that he was concerned with him as a

heretic- that is to say, a man whose philosophy is quite solid, quite coherent, and quite wrong.

Despite this critique they remained friends for life and in this there is something for us to learn.

In November will be studying a book "Faith Maps" a collection of essays of major religious thinkings ranging from John Henry Newman to Flannery O'Connor.

December bookclub will be discussing

C S Lewis' "Reflections on the Psalms".

If any of these books interest you please join us.

MEN'S BUSHWALKING GROUP

Our next walk is on Tuesday 10 October in the Little Beach area in the Bouddi National Park. We will be exploring several of the side tracks that have good views over the ocean. The weather forecast is looking okay and hope it holds up.

As we move towards summer with the greater risk of very hot weather, the choice of track will only be made closer to the date. We will also need to be flexible on the starting time and may well start off earlier (e.g. - 8.30 am). The walks are on a Tuesday on a fortnightly basis and take an hour and a half, followed by lunch at a nearby venue for our 'chat and chew'.

Any gentlemen interested in participating in any of our walks, please contact Stim Robinson at stimrobinson@hotmail.com or on 0401 058 329 and you can get further details including where to meet for the walk. If you would like to join us for lunch, please contact Stim as above.

Prayer of Discernment for the Referendum

Heavenly , we pray for the nation as we come together in the referendum on the Voice to Parliament.

Guide every mind to seek the truth and every heart to act justly for all.

Help us to come together to make an informed decision that will bring healing and unity to Australia. Amen

Wearing Masks

Masks are no longer required in hospitals or nursing homes and our PPC has agreed to leave the decision to wear a mask, or not, to each Minister of Holy Communion.

Laudato Si

This encyclical was written by Pope Francis in May 2015. Translated as *Praise be to You*, this letter to the world calls us to care for our common home. It focuses on the social and ecological crisis that exists in our world today, and what we can do to ensure we present preserve our planet for future generations.

The encyclical has seven themes. At a conference last week the **Catholic Women's League** considered each theme and over the next few weeks we shall include their practical suggestions from each theme in the bulletin.

This week is the first theme, to **respond to the cry of the earth** in which we are called to protect our common home for the well-being of all. Some practical ways we can do this includes:

- greater use of clean, renewable energy
- action to protect and promote biodiversity
- guaranteeing access to clean water for all
- implementing conservation techniques
- use of native plants in our gardens
- be more attentive to recycling and reducing land-fill
- become involved in projects like Bushcare and Cleanup Australia.

New Encyclical

During the week, Pope Francis released "[Laudate Deum.](#)" a follow-up to his encyclical *Laudato Si'*.

Laudate Deum stresses the undeniability of climate change and human activity as its cause, drawing attention to the exploitation of nature for the ends of technology and productivity.

Account is taken of the weakness of international politics in committing to efficient, obligatory, and readily monitored change; and he acknowledges the need for people and civil society across the world to push governments to action. In turn, Pope Francis notes the importance of climate conferences, ahead of the United Nations Climate Change Conference, known COP28, on November 30.

Lost and Found

A large amount of cash was found in the carpark on Sunday morning. If it might be yours please contact the Parish Office with details of the amount and the denomination.

Alive in the Spirit Conference

Safeguarding

The role of parenting in preventing emotional abuse
Recently, the Australian Child Maltreatment Study found that in young people aged 16-24 years, about 35% had experienced emotional abuse, with the rate 1.5 times higher among girls than boys. The study also found that 40% of young women experienced emotional abuse before age 18. Emotional abuse occurs at the hands of parents and primary caregivers and can overlap with other unhelpful forms of parenting. This makes the family environment key for prevention. Listen to more information from Dr Divna Haslam and Associate Professor Alina Morawska.

A new document produced by the Bishops Commission for Evangelisation, Laity and Ministry encourages Catholics to **“preach all the Gospel, to all the world, all the time”**.

The document reflects on the proclamation of the Gospel, drawing on recent Papal teaching and referring to well-known Gospel parables.

This document offers good formation for parish leaders, ministers and all parishioners in better understanding the key concepts of evangelisation, discipleship and mission in a clear and relevant way.

Glimmers of Grace

Enter the heart of Mary through the heart of St Ignatius each day this October. Why was Mary so important to St Ignatius? What face of Mary did he kneel before?

In a unique offering for the Marian month of October, we have over 31 images of Mary that were important in Ignatius' life. Never gathered together before, **they tell the story of Ignatius**. And they show **who Mary can be for us**.

Would you like to meet the beautiful, strong and tender faces of Mary? [Register here](#)

What is spiritual direction?

In spiritual direction you reflect deeply on the experiences of your daily life, your loves, hurts, dreams, joys and fears.

Gradually, as you contemplate, you may begin to discover how God's spirit is moving in your life and that God has been waiting for you to see this closer relationship.

Spiritual direction is really not about being directed, nor is it therapy, or counselling. Rather, it is very much about being encouraged to draw closer to God whether that be in your prayer life, relationships, in nature, or in the events of your life. The privilege and responsibility of a spiritual director is to journey with you, in one on one conversations, as you deepen your relationship with God. What is shared is held in confidence.

A meeting time is agreed upon, usually once a month, for an hour.

If you are interested in participating in spiritual direction please call Robyn Wild on 0410 454 650

Fr Carol Grew at Terrigal

Fr Carol came to our Parish in 1997 along with Fr John Mc Grath (Fr Mac) in 1997. Secretaries at the time Barbara Cooper, Brenda Hindmarsh and myself (Janette) had a dinner at the old site with Mons Marley to welcome them. Fr Mac opened the conversation at the table with you can call me Mac and I am sure Carol, won't mind you calling him Grewy. We knew this would be a joyful, happy and hard working time for our Parish.

At the time I had just turned forty I didn't think it very polite to refer to this revered parish priest as Grewy, (but that did change behind the scenes and he affectionally became Grewy). Also every time I said "Father", he called me "Mother", so Grewy it was. We all worked very hard in our active and changing parish, with the support of so many volunteers, that have become life long friends. Fr Carol taught me through his actions that we are here to serve and to serve humbly. He was a no fuss person, and was known for his hospitality. My husband Bruce said he was one of the most generous person's he had come across especially when he shared his oysters with him one Friday afternoon.

When it was Fr Carol's 50th Anniversary of priesthood the Parish Council organised a collection and the Parish presented him with a smart, expensive posh coat. One evening, during winter Fr Carol went to the hospital for a sick call. On the way out he saw a homeless man at the Hospital gate and yes, he gave the lovely new coat away. The reason I know this, is because I kept asking him where is your new coat and why are you still wearing the old tattered one? Then he quietly told me (I think to stop me pestering him) - "I gave it away someone was cold" I replied "what a shame you were not wearing the old coat!" But that was Grewy.

To be continued.....

Janette
