## Prayer to St Michael

St Michael the Archangel, defend us in battle; be our safeguard against the wickedness and snares of the devil. May God rebuke him we humbly pray; and you, O Prince of the Heavenly Hosts, by the power of God, cast into hell Satan and all the evil spirits who prowl about the world seeking the ruin of souls. Amen

### Vox Episcopi – the Voice of the Bishop

My dear brothers and sisters in Christ,

During this second week of Lent there has been a great deal to pray for throughout our communities.

Torrential and relentless rain has caused devastating flooding not only throughout the state but in our own parishes in the Diocese.

Suburban streets have become rivers, backyards turned into lakes. Dams have spilled as a result of the deluge and main roads and bridges inundated.

Huge swathes of our Diocese in the northern suburbs, northern beaches and Central Coast have been swamped causing landslides and extensive damage to homes. Many of our churches, schools and community halls have been flooded.

Thousands of people have been forced to evacuate, and tragically lives have been lost.

Added to this, the escalating and destructive events in Ukraine with the ever-growing humanitarian crisis, and the words challenging and overwhelming just don't seem to convey the sadness and heaviness of heart.

However, it is exactly at times like this we should remember that we do have someone to guide us, give us the courage and strength to keep going.

We know prayer is a large focus during Lent as it is the main source of communication with God. While it is a time of reflection and renewed faith when we focus on the life, death and resurrection of Jesus Christ, we can also pray for those who have lost their homes and livelihoods, who are injured or anxious and despairing or are fleeing conflict, carrying very little except fear and uncertainty.

And despite our prayers if we think all we can hear and see is more rage and resistance, then it's also good to remember that when God is quiet, He is up to something. He is watching and working.

With my prayers and blessing

+ Anthony

Thank-you to everyone who has been so generous to us during the year.

To arrange for regular (monthly) donations please contact the Parish Office.

If you haven't already, join the conversation!  
Share your ideas through a **Pastoral Discernment Submission** for the consideration of Bishop Anthony. Do you have

ideas as to how we, as a community, can renew the life of the Church, recognising and appreciating the gifts that the Holy Spirit has bestowed upon the Central Coast region? All voices are important as we discern the way forward together. There is still time for you to participate. Submissions close 31 March 2022.

Visit <https://www.bbcatholic.org.au/our-faith/pastoral-discernment-central-coast/community-resources> to download your copy of the **Individual Reflection Guide**, to learn how you can contribute to the conversation.

### Baptism Presentations at Mass

Baptisms are normally celebrated at 11.30 on Sunday mornings which is after most parishioners have returned home. So that the parish is aware of the baptisms being celebrated in the parish and in order to wel-

come these new Catholics into our faith family, we will now be having a presentation ceremony at our Sunday Masses of children being baptised in the parish. Fr Vince will explain the role of parishioners as these celebrations begin.

We ask you to all please congratulate the parents and welcome these children into our community.

### Collecting Parish Photos

If you have any photos you wish to share please email them to us at [star-sea@bigpond.net.au](mailto:star-sea@bigpond.net.au) over the next few months. We are endeavoring to put together a small booklet to remember our history at the old site and here in the valley at Serpentine

Road. On December 22nd we will be celebrating 20 years at our current site. This will be a time to celebrate and be grateful for this beautiful complex and community.

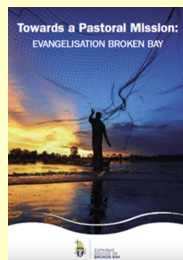

It would also be appreciated if you could date the photo (approx.) and add a few lines about who is in it or any interesting fact.

So please start collecting. We have found some great photos in the last few days to start our electronic file.

Any enquiries or volunteers to help in this project, please contact Janette at the Office.

### One in Christ

Evangelisation Broken Bay is developing a 2022-2025 Pastoral Mission titled 'One in Christ' to support the vision and mission of evangelisation in the Diocese, and Bishop Anthony's six key priorities.

A document, *Towards a Pastoral Mission*, has just been released as a precursor to the Pastoral Mission which outlines the outcomes we would like to work towards:

- Empower Communities for Evangelisation
  - Form Disciples for Mission
  - Build Community
  - Promote our Vocational Call
  - Advance the Common Good
- Embrace the Poor and Vulnerable  
This document can be accessed here:  
<https://www.bbcatholic.org.au/our-faith/evangelisation/towards-a-pastoral-mission>

We seek your input to ensure that the goals and priorities are aligned to the needs of the communities and individuals served by Evangelisation Broken Bay. You are invited to consider six questions and provide us your feedback. Contributions are due by 31 March. Input can be submitted at: <https://www.bbcatholic.org.au/our-faith/evangelisation/towards-a-pastoral-mission/make-a-submission>

These are individual submissions, so this might be an opportunity for anyone who was not able to attend our parish meeting for the Central Coast to make a submission for evangelisation for the whole diocese. *Vince*

## **Bookclub—Orthodoxy** **4pm Friday 25 March Parish Office**

In one of the most memorable chapters of his book *Orthodoxy*, Chesterton discusses the ethics of elfland.

"My first and last philosophy," he wrote, "I learnt in the nursery."

He finds in the fairytales told him in his youth a common sense lacking in the unphilosophic manner of science with its laws of nature. "When we are asked why eggs turn to birds or fruits fall in autumn, we must answer exactly as the fairy godmother would answer if Cinderella asked her why mice turned to horses or her clothes fell from her at twelve o'clock. We must answer that it is magic." Chesterton never lost his sense of wonder of the world. "A tree grows fruit because it is a magic tree. Water runs downhill because it is bewitched. The sun shines because it is bewitched."

The contingency of the world makes it seem like magic.

"A child of seven is excited by being told that Tommy opened a door and saw a dragon. But a child of three is excited by being told that Tommy opened a door."

Join us at our next bookclub and share in the wonder and enchantment of this extraordinary man who Bishop Barron calls "The Evangelist."
