Prayer to St Michael

St Michael the
Archangel, defend
us in battle; be our
safeguard against
the wickedness and
snares of the devil.

May God rebuke him we
humbly pray; and you,
O Prince of the Heavenly
Hosts, by the power of God,
cast into hell Satan and all
the evil spirits who prowl
about the world seeking the
ruin of souls.

Amen

Clergy Conference

My thanks to all those who covered for me last week while I was away with the other clergy of the diocese of our annual clergy conference. We covered topics such as the priest as father and bridegroom; nutrition; Marriage preparation and enrichment; acculturation; school and parish relations; discernment of strengths; leadership in parishes; and diocesan results for the 2023 Mass attendance count. We also visited Mary Mac's at Woy Woy and had an entertaining and informative after-dinner talk by Greg Sheridan from The Australian.

Bookclub

Everybody knows Clarence Odbody, the second-class angel who is waiting to earn his wings. He is called to duty when there is a shortage of guardian angels. His mission- to rescue George Bailey, who is about to commit suicide. "It's a Wonderful Life", -one of the great Christmas movies -is only one expression of the varied interest in angels in contemporary culture. Good or bad they are endlessly fascinating. Peter Stanford has written a history of angels and their cultural significance. Join us if you can Friday 30th June at 1600 in the parish offices.

In July we will be tackling another C S Lewis book, *The Great Divorce*. Not a very long book. It is in the style of *The Screwtape Letters*.

In August we will be discussing Navi Kermani's book *Wonder Beyond Belief-On Christianity*. "What happens when one of Germany's most important writers, himself a Muslim, immerses himself in the world of Christian art"? The result is a book of lamentation, love and wonder seen through a poetic lens with a consuming curiosity. A spectacular read!

Australian Religious Response to Climate Change Hunter and Newcastle Region

Dr Di Rayson and some ARRCC supporters in Newcastle and the Hunter region are keen to start a local ARRCC Chapter.

There are a number of climate action groups in the Newcastle area but decision-makers can much less easily dismiss a specifically faith-based organisation as 'the usual suspects'. Historically, religious people have been an important part of many movements for change because we offer another, distinctly moral voice to public discourse.

Come and be part of shaping this new initiative!

When: Thursday, 6th July 6 pm– 8 pm

Where: St Luke's Anglican Church hall,
22 – 24 Metcalfe St, Wallsend

Please RSVP: Contact Dr Di Rayson on
