A message from Fr Jacek

Dear parishioners and visitors, welcome to our beautiful Parish on this the 25th Sunday in ordinary time.

There has been a lot of activity around the school and parish with the school concert. Well done to Jenny Morris and the teachers for spreading musical joy through the children.

The fund raiser for Mary Mac's last weekend was a wonderful success raising at last count \$2450, thank you for your support.

Blessings on the week ahead.

Plenary Council 2020. The parish is now asked to enter a new phase of preparation for the plenary Council to be held in 2020 in Adelaide. 222,000 submissions were received and the main points need to be discussed and determined at a parish level. A program for further involvement of the parish is to be presented and discussed by the parish council this month. Again everyone is asked to pray that the Holy Spirit will guide the Catholic Church in Australia through its present difficulties into a brighter future.

Well done good and faithful servant... Therese Engel died on the 9th September after suffering a fall and then a short illness in Hospital. Therese's funeral will be Monday 30th September at 11am. The Rosary will be recited prior at 10.30am. There will be a wake in the Parish Hall.

Abortion Legislation update.

Debate in Parliament about the abortion bill continues unresolved. What the Premier, Gladys Berijikian, hoped would be a quick fix has turned into a quagmire. A small group of MPs committed to the Christian teaching that all life is sacred and must be respected have frustrated those who wish to bring about abortion on demand in NSW. Our own local MLC, Taylor Martin, has been able to have the very name of the bill changed from Reproductive Health, which it never was, to the true title, Abortion Legislation.

In the lower house two individuals stand out who are prepared to sacrifice their own political careers to protect the unborn, Tanya Davies and Kevin Connolly. Tanya is a former Minister for Women who left the cabinet to raise her growing family. She is not a Catholic but worships God in a Pentecostal church.

The two of them have made it clear that they will continue to fight for the rights of unborn children no matter how unpopular this makes them with the Premier and some of their other colleagues. They have won the battle to ensure that babies born despite a botched abortion are to receive medical care and not simply be left to die while health professionals stand and watch.

They are now fighting their next battle to outlaw sex selection where the unborn child is killed because it is the wrong sex, usually female. We pray for them in their battle and commend them for their courage.

R.C.I.A.
(The Rite of Christian Initiation for Adults)

Have you ever thought “I may want to be a Catholic”, or heard someone else say that? Well, the R.C.I.A. program may be for you. This program is currently running in our parish and may help you to decide if this is for you or someone you know. It is a gentle and non-threatening series of talks that use a program entitled “At Home with God’s People”. If you are considering Baptism or, as a baptised person of another faith, wish to know more about the Catholic faith, then this program may be for you.

If you are a Catholic and have a relative or friend, who may be interested, please let them know of this program. A personal invite is very powerful.

For further details and information please **contact Betty 43843756 or Janette at the parish office 43674610.**
