Prayer to St Michael

St Michael the Archangel, defend us in battle; be our safeguard against the wickedness and snares of the devil. May God rebuke him we humbly pray; and you, O Prince of the Heavenly Hosts, by the power of God, cast into hell Satan and all the evil spirits who prowl about the world seeking the ruin of souls. Amen

This is our 25th year celebrating this great south land of the Holy Spirit, with a Parish Mass and BBQ—join us this year.

OUR LADY HELP OF CHRISTIANS
PRAY FOR US
We place ourselves under your patronage

Did you know why Australia is referred to as the Great Southland of the Holy Spirit !

“La Australia del Espiritu Santo” The

Great South Land of The Holy Spirit “Let the heavens, the earth, the waters with all their creatures and all those here present witness that I, Captain Pedro Fernandez de Quiros... in the name of Jesus Christ... hoist this emblem of the Holy Cross on which His (Jesus Christ’s) person was crucified and whereon He gave His life for the ransom and remedy of all the human race... On this day of Pentecost, 14 May 1606...I, take possession of all this part of the South as far as the pole in the name of Jesus... which from now on shall be called the Southern Land of the Holy Ghost ...and this always and forever ...and to the end that to all natives, in all the said lands, the holy and sacred evangel may be preached zealously and openly.” These words above are the prayer of a Portuguese navigator, who was part of the Spanish Voyages of Discovery to the Pacific Ocean. There were many ships and explorers of Dutch, English, French, Portuguese and Spanish origins who passed near the north west coast line and so believed that a vast continent in the south, was yet undiscovered by other explorers.

Until the arrival of Captain James Cook in 1770, the East coast remained uncharted. The prayer, of Captain Pedro Fernandez de Quiros, invoking the Holy Spirit is worth recalling, reminding us that we are a nation built on religious/spiritual foundation.

As a devout Catholic, Captain Pedro had passed through Rome, prior to this voyage, to seek the Holy Father’s blessings on his distant voyages. He risked peril or joy and months at sea, seeking a vast southern continent, (Australia) we now know and love as home.

Let us, like Captain Pedro Fernandez de Quiros, pray to the Holy Spirit in this time of a virus pandemic that has brought so much suffering and death so quickly throughout the world.

May the words “Come O Holy Spirit, and Renew the face of the earth” become our prayer.

How is God calling the people of the Central Coast to journey forward together as pilgrim and missionary people?

The Central Coast is recognised throughout Australia as a distinct and separate region. It stretches from the Hawkesbury River to Lake Macquarie. It has one local government area; Central Coast Council; two federal electorates, Robertson and Dobell; and four state electorates, Terrigal, Gosford, The Entrance, and Wyong. With a population of 309,000 it is the third most populous place in New South Wales.

Unlike many other regions it is overwhelmingly Anglo-Australian, has a higher than average age demographic and a lower than average tertiary education. Church attendance across all churches is low. Western Sydney has a much higher rate given the large number of ethnic groups in that area. The last census showed the largest religious group was Catholic (24.7%) behind No Religion (27.9%). About 10% of Catholics attend Mass and the sacraments. This itself is disturbing, but even more disturbing is the age demographic since the great majority of practising Catholics are over 65.

Our Bishop, Anthony Randazzo, has divided the Diocese of Broken Bay into three regions, one of which is the Central Coast.

As part of a program to revitalise the church and assist it and us to face the enormous challenges of a secular and, in many respects, hostile society the Bishop has determined to develop a program which will enable the church, and each of us as church members, to more effectively proclaim and live the gospel of Jesus Christ.

Each parish on the Central Coast is required therefore to undergo a program of pastoral discernment. Discernment means understanding. Parishioners are requested by the Bishop to meet and share their vision of evangelisation. This is to be faithful to the command of Jesus expressed in his last words to the apostles: "Therefore go and make disciples of all nations baptising them in the name of the Father and of the Son and of the Holy Spirit and teaching them all that I have commanded of you and surely I am with you always to the very end of time." (Matthew 28:19-20)

Accordingly, a meeting of all parishioners will be held in the parish hall on Saturday 12 February from 2 pm to 4 pm. We will be broken up into small groups, each group headed by a facilitator, to discuss the six themes identified by the Bishop. These are: Walking together; Listening; Sharing the story; Participation in mission; Dialogue with others; Moving forward.

Please make yourself available to attend on 12 February. The views of every parishioner are requested and are important.

If you want further information prior to 12 February this is available online:

Fr Manoj Manuel

was an Indian priest who has been working in our diocese, at Hornsby Cathedral Parish, for the last year. Manoj had just been re-appointed to Wahroonga Parish and went home to India for a holiday where he died suddenly from a heart attack. His funeral will be at Kerela on Friday morning. This will be 3pm Sydney time, on Friday 21 January.

The link for the Mass is <https://youtu.be/hORNZMf6fuQ>

Please keep Fr Manoj and his family in your prayers.

St Michael Prayer and Statue

Since I was appointed to Terrigal Parish twelve months ago I have considered the issues of the St Michael prayer and statue in our parish and subsequently I have come to the decision that:

- The statue of St Michael will stay in its prominent position, with two plaques recognizing the contribution of the Michaelites to our parish over twenty years.
- After 1 February the Prayer to St Michael will not be said at the end of Masses in the parish but may be said by individuals or as a private devotion.

A longer note explaining my reasoning was sent out with electronic copies of the bulletin and is available at the back of the church.

I have discussed the decision with the PPC and sent copies of the note to Bishop Anthony and to Fr Stan Kluk.

FEAST OF BLESSED BRONISLAW 30 January

Bronislaw Markiewicz was a Polish priest and a professed member of the Salesians of John Bosco. Markiewicz established the Congregation of Saint Michael the Archangel that devoted itself to the principles and teachings of John (Don) Bosco as well as spreading the apostolate of Saint Michael the Archangel.

His beatification was held in Poland on 19 June 2005 after Pope John Paul II acknowledged a miracle credited to him in 2004.

On 28 September 2020 in a homily at the Vatican, Pope Francis noted that Markiewicz died in 1912, almost a decade before the Congregation was officially approved by Archbishop Sapieha of Kraków in 1921.

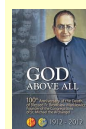

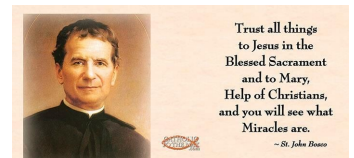

He praised the order's members for living out the founder's spiritual legacy, while "adapting it wisely to reality and to new pastoral demands." He recalled that two of them -- Blessed Władysław Błędziński and Adalbert Nierychlewski -- were among the Polish martyrs of World War II.

He encouraged them to hold fast to the order's motto, "who is like God?" -- the Hebrew meaning of "Michael" -- which he described as "the victorious cry of St. Michael the Archangel ...which preserves man from selfishness."

This was not the first time that Pope Francis has highlighted devotion to the archangel. In July 2013, he consecrated the Vatican to the protection of St. Michael and St. Joseph, in the presence of Pope Emeritus Benedict XVI.

"In consecrating Vatican City State to St. Michael the Archangel, I ask him to defend us from the evil one and banish him," he said, after blessing a statue of the archangel in the Vatican Gardens.

Blessed Bronislaw was at the bedside of his close friend and mentor St John Bosco when he died in 1888.
St John (Don) Bosco's feast is 31 January.

Free Prayer Cards of Blessed Bronislaw and Congregation of St Michael the Archangel are available at the back of the church.

May St Michael continue to bless and protect our Parish, our families and community. Pray and ask his protection often. The prayer Group will be ordering a number of replica mini statues of St Michael from Monte Sant Angelo in Gargano, Italy (the oldest Shrine in Western Europe).
More information when they arrive. *Janette*

Vox Populi – the Voice of the People Remembering a Good Story: Entering the Cycle of Ordinary Time

Very Rev Dr David Ranson PP VG
When the Vikings of old raided the Saxon villages the very first people that they would seek out to assassinate would be the village storytellers. They knew only too well that to take out the story tellers was to remove the story of the people. Rupturing the people's link with the stories which animated their common and personal life was to deliver a mortal blow to the memory of the village. To sever memory was to create disorientation, to render the village into a profound sense of hopelessness. When there was no memory, neither could there be a future.
