Prayer to St Michael

St Michael the
Archangel, defend
us in battle; be our
safeguard against
the wickedness and
snares of the devil.

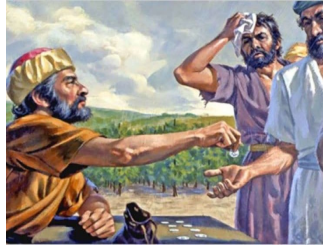

May God rebuke him we
humbly pray; and you,
O Prince of the Heavenly
Hosts, by the power of God,
cast into hell Satan and all
the evil spirits who prowl
about the world seeking the
ruin of souls.

Amen

MEN'S BUSHWALKING GROUP

Our next walk is on Tuesday 26th September where we will be visiting the Wyrabalong National Park, north of The Entrance. Weather forecast is looking pretty good and not too hot. (Fingers crossed).

Several of our team helped with the marshalling at the Blessing of the Pets last Sunday and enjoyed the day out despite the heat.

The walks start at 10am on a Tuesday on a fortnightly basis and take an hour and a half, followed by lunch at a nearby venue for our 'chat and chew'.

Any gentlemen interested in participating in any of our walks, please contact Stim Robinson at stimrobinson@hotmail.com or on 0401 058 329 and you can get further details including where to meet for the walk.

If you would like to join us for lunch, please contact Stim as above.

Carlingford Antioch

This Sunday evening Fr Vince will be returning to his first parish, St Gerards Carlingford, where the Antioch community he helped to start with young people and parent couples from the parish will be celebrating their 40th year. This is 40 years of prayer every Sunday evening, Mass each Wednesday morning, and at least two weekends each year.

Please give thanks to God for this significant ministry in the lives of young people in our diocese. And those from our parish who experienced Antioch in their youth may want to share some memories.

Name Badges

Name tags can be ordered at a subsidized price of **\$10** (normally \$17). It is good to see more and more wearing them. You can choose from safety pin style or magnetic back.

Place order at the Parish Office or the Piety Stall.

Blessing of the Pets

There was a pet python, rabbits, chickens, baby goats and dozens of dogs. And of course, there were lots of children with their favourite pet.

Last Sunday – the closest convenient Sunday to the feast day of St Francis, the patron saint of animals – our parish held its first blessing of the animals. A tradition that goes back over 800 years in honour of Saint Francis and his love and admiration for all God's creation.

Fr Vince, ably assisted by Jacob, blessed each individual pet with holy water after first telling the story of Saint Francis and a reading about God's creation of the animals from the book of Genesis.

From 1.30pm families assembled on the oval finding shade and waiting for the liturgy. The animals were all surprisingly well-behaved – the python stayed away from the rabbits – and in addition to our parishioners and their families there were visitors from other parishes and from the third order of St Francis.

The Parish Pastoral Council, working with Fr Vince, is conscious of our common obligation to spread the message of the Catholic faith as broadly as possible, to meet new circumstances we need new presentations. This year we have held two very innovative and successful sessions of "Church in the Café" for the Ascension of Christ and the Assumption of Our Lady. The blessing of the animals – an ancient practice at the church - was another attempt to make Church liturgy more family friendly. By all accounts it was a great success. St Francis was honoured, the animals and pets were honoured, and above all Almighty God was honoured in the glory of His creation.

Special thanks to Stim (our go-to man) Andrea, Paul, Christiane, Alan, Dennis, the Goodworth family and to Janette, Nellie, Robyn and the stalwarts from the Parish Office.

So many parishioners complain that their children are not interested in the church and of course following on from that neither are their grandchildren. We need to make our Church practices more user-friendly. This is and remains a challenge for all of us.

Visiting Nursing Homes

We have a number of parishioners who visit the nursing homes in the parish each week to take Holy Communion to Catholics who can no longer attend Mass.

We would like to have **more people involved in this ministry** - the more people going to each home means less visits for each volunteer and more time can be spent with each resident.

Are you interested in this important ministry?

Please contact Janette or Fr Vince at the Parish Office for more details.

Parish Piety Shop - New Stock

Come and take a look we **have some lovely gift ideas for the upcoming celebrations of First Holy Communion and other occasions.**

Our sales support the Parish, St Vinnies Winter & Christmas appeals and Missions.

Book Club

At the end of this month, bookclub will be discussing St John of the Cross and his insights into contemplative prayer. It is clear from contemporary use of the term "Dark Night of the Soul" that the concept is misunderstood. This book explains the psychological process of passing from one form of prayer to a more contemplative prayer and the destabilising effect this can have. Those interested in prayer might find this useful. Those not feeling inclined to read could listen to the audiobook of "Dark Night" which is on YouTube.

October is Chesterton's month. We will be discussing "Heretics", one of his early books. In this book he is engaging with modernism and critics of faith. Chesterton is known as the apostle of common sense. He is hugely entertaining. Join us for what will be an interesting discussion. It is also the month of The Chesterton's society's annual lecture series at Campion College. Google it.

The document reflects on the proclamation of the Gospel, drawing on recent Papal teaching and referring to well-known Gospel parables.

This document offers good formation for parish leaders, ministers and all parishioners in better understanding the key concepts of evangelisation, discipleship and mission in a clear and relevant way.

Tragically, there are 1300 children and young people across our Diocese who are unable to live with their families through no fault of their own.

CatholicCare is looking for foster carers on the Central Coast, Northern Sydney and the Northern Beaches.

CatholicCare believe all children deserve a safe home, and by providing one we can help them build their self-esteem and develop the skills they need to succeed in life. They are looking for everyday families who might consider taking a child or young person into their home – to love and support them whether for one or two nights, a few weeks, months, or long term.

Can you help? Please reach out on (02) 9481 2600 or visit www.fostering.org.au.
