### Prayer to St Michael

St Michael the  
Archangel, defend

May God rebuke him we  
humbly pray; and you, O

Hosts, by the power of  
God, cast into hell Satan

### By request the prayer against the COVID 19

Mary, Help of Christians, we fly to you today as your beloved children.

We ask you to intercede for us with your Son, as you did at the wedding in Cana.

Pray for us, loving Mother, and gain for our nation and world, and for all our families and

loved ones, the protection of God's holy angels, that we may be spared the worst of this illness.

For those already afflicted, we ask you to obtain the grace of healing and deliverance. Hear the cries of those who are vulnerable and fearful, wipe away their tears and help them to trust.

In this time of trial and testing, teach all of us in the Church to love one another and to be patient and kind. Help us to bring the peace of Jesus to our land and to our hearts.

We come to you with confidence, knowing that you truly are our compassionate mother, health of the sick and cause of our joy.

Shelter us under the mantle of your protection, keep us in the embrace of your arms, help us always to know the love of your Son, Jesus. Amen.

### Catholic Library ... recommended, online and free

A new internet library has been established with over 13,000 items specifically selected for Catholic ministry education. It can be found at <http://sharingtheword.info>. The initiative has proved to be a most useful tool for the thinking Catholic. It was initiated by Hans Arns, a Broken Bay parishioner and retired librarian of CIS Strathfield as part of the Sharing the Word Project for seminary libraries sponsored by the Pontifical Society of St. Peter the Apostle, led by Catholic Mission (Australia). It is already quite widely used in Australia - see

## PLANNED GIVING

Regular, planned donations are essential for us to run the parish. We are moving from our emphasis from the planned giving envelopes to monthly credit card donations.

**If you are happy to change, please fill out the form available at the back of the church and put it in one of the collection bags, or return it into the parish office.**

If you are not part of our planned giving programme, you might like to begin by filling out and returning one of these forms.

**Thank you to those who have responded. Deductions will be made on the 3rd Monday of the month (approx).**

For those who want to continue with envelopes, they are available to be collected at the back of the church. **From July 1 2021 we will cease recording the amount given in each individual envelope.** If you still want your contributions recorded. Please contact the parish office.

**Thank-you** to everyone who contributes to the parish in either of these ways of making regular, planned giving donations. They are our main source of income and essential for the running of our parish.

**CFW** If you are looking for a tax deduction for **NEXT financial year** you can make regular contributions to CWF (Charitable Works Fund). Simply place your donation in a CWF envelope and put it in one of the collection bags or arrange to have a monthly credit card deduction set up from the parish office.

### Parish Hall

The renovations of the kitchen in the hall have begun. We will be using the school holidays to get the new kitchen to lock-up stage before school returns. There will be limited use of the hall till then.

The renovations are being paid for by a government grant of \$25,000. Thanks to those who did the work to obtain these funds. It will cost more than this, so the extra (up to \$25,000) is being paid for by money raised by the "Fair by the Sea".

Thanks to all the work put into this fund-raiser in previous years.

Aboriginal and Torres Strait Islander Sunday falls on the Sunday 4 July 2021

## Tap 'n' Go ..... and help your parish grow

In the next few weeks we are having two Tap 'n' Go machines installed near the doors of the church. This will allow everyone who comes to the church and has a credit or debit card in their wallet or on their phone to make a donation to the church.

The machines will be installed in the next few weeks and set at \$10 per tap with contributions going to the day-to-day running of the parish and the maintenance of its assets.

## Peter's Pence Appeal 4 July 2021

The Peter's Pence Appeal is an annual appeal taken up all over the world around the time of the feast day of St Peter and St Paul (29 June).

Through donations to Peter's Pence, all people can support the activities of the Holy See and its initiatives to express solidarity with those most in need, especially those severely impacted by COVID-19 at this time.

With your support, the whole Church can continue – in the words of Pope Francis – “to walk, to search for, visit, meet, listen to, share with and stop at those most in need”. Further information at <https://www.obolodisanpietro.va/en.html>.

## **FIFTH PLENARY COUNCIL OF AUSTRALIA AGENDA**

On Friday 18 June, the agenda for the Fifth Plenary Council of Australia was announced.

This is a very important and significant step towards the Council Assemblies, with the first Assembly taking place on 3 October 2021. The agenda calls for a missionary, Christ-Centred church.

The questions the Plenary is asking:

### **Conversion**

- How might we better accompany one another on the journey of personal and communal conversion which mission in Australia requires?
- How might we heal the wounds of abuse, coming to see through the eyes of those who have been abused?
- How might the Church in Australia open in new ways to Indigenous ways of being Christian in spirituality, theology, liturgy, and missionary discipleship? How might we learn from the First Nations peoples?
- How might the Church in Australia meet the needs of the most vulnerable, go to the peripheries, be missionary in places that may be overlooked or left behind in contemporary Australia? How might we partner with others (Christians, people of other faiths, neighbourhood community groups, government) to do this?
- How might the Church in Australia respond to the call to 'ecological conversion'? How can we express and promote a commitment to an 'integral ecology of life' in all its dimensions, with particular attention to the more vulnerable people and environments in our country and region?

### **Prayer**

- How might we become a more contemplative people, committing more deeply to prayer as a way of life, and celebrating the liturgy of the Church as an encounter with Christ who sends us out to "make disciples of all the nations"?
- How might we better embrace the diverse liturgical traditions of the Churches which make up the Catholic Church and the cultural gifts of immigrant communities to enrich the spirituality and worship of the Church in Australia?

### **Formation**

- How might we better form leaders for mission – adults, children and families, couples and single people?
- How might we better equip ordained ministers to be enablers of missionary discipleship: the Church becoming more a "priestly people" served by the ordained ministry?
- How might formation, both pre- and postordination, better foster the development of bishops, priests and deacons as enablers of the universal Christian vocation to holiness lived in missionary discipleship.

### **Structures**

- How might parishes better become local centres for the formation and animation of missionary disciples?
- How might the Church in Australia be better structured for mission, considering the parish, the diocese, religious orders, the PJP's and new communities?

### **Governance**

- How might the People of God, lay and ordained, women and men, approach governance in the spirit of synodality and co-responsibility for more effective proclamation of the Gospel ?
- How might we recast governance at every level of the Church in Australia in a more missionary key?

### **Institutions**

- How might we better see the future of Catholic education (primary, secondary and tertiary) through a missionary lens?
- How might we better see the future of Catholic social services, agencies and health and aged care ministries as key missionary and evangelising agencies?

## Join us as a Catechist a Scripture Teacher or helper

### What does it mean to be a catechist?

The root word, 'catechesis,' is from a Greek word meaning 'to echo, or resound.'

Catechesis is the act of resounding or bringing the Church's teachings to the world.

**A catechist is one who teaches in the name of the Church.**

USCCS - Asian Continental Society
