## Some information about the parish plant

### Kitchen and Hall

The Parish has obtained a grant of \$25,000 to upgrade the kitchen in the hall. The Pastoral Council and Finance Committee have agreed to pay whatever additional funds are required to provide a proper job that will last for (at least) the next twenty years. When the kitchen is finished we will also be giving the hall a good clean and a "facelift" to make the most of this wonderful resource we have in the parish.

### Early Learning Centre

The lease between CatholicCare and the Parish has expired and we are looking a new lease for the next five years and more.

### Aspect Central Coast

Aspect leases the house at the top of the drive from the Parish. They have made a proposal to extensively renovate the inside of the building to provide up to five general learning areas (classrooms) and to significantly increase their student numbers. They will also provide more parking spaces on the site. There will be no cost to the parish but there is an expectations of a significant extension in the period of the lease. The proposal has been well received and discussions are continuing.

Oh, **St. Joseph**, whose protection is so great, so strong, so prompt before the throne of God. I place in you all my interests and desires.

Oh, St. Joseph, do assist me by your powerful intercession, and obtain for me from your divine Son all spiritual blessings, through Jesus Christ, our Lord.

So that, having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving of Fathers. Amen

**Patroness of the Diocese of Broken Bay**

The Patroness of our Diocese, Mary Star of the Sea received its official decree from the Congregation for Divine Worship and the Discipline of the Sacraments in May 2008. Star of the Sea is an ancient title for the Mother of Jesus Christ and comes down to us from

the Latin *Stella Maris*. Under this title, Mary intercedes as both guide and protector for all those who travel or seek their livelihoods on or by the sea. As a faith community whose borders skirt both the Pacific Ocean and the Brisbane Waters, Mary is our guiding star and the model of discipleship as the mother of the Church.

**The Feast Day of Mary Star of the Sea is celebrated on 31 May.**

*"Mary, Star of the Sea, must be followed in faith and morals lest we capsize amidst the storm-tossed waves of the sea. She will illumine us to believe in Christ, born of her for the salvation of the world". (Paschasius Radbertus d.865)*

**Tap 'n' Go**

To survive as a parish we depend on donations from those who come to the church. Thank-you all for your generosity. But we are living in an increasingly cash-less society. To respond to this we are having two Tap 'n' Go machines installed near the doors of the church. This will allow everyone who comes to the church and has a credit or debit card in their wallet or on their phone to make a donation to the church. The machines will be installed in the next few weeks and set at \$10 per tap with contributions going to the day-to-day running of the parish and the maintenance of its assets.

**Senior Altar Server**

Congratulations to Peter Dignam who will be installed as a Senior Server at the 7am Mass next Sunday.

**Charitable Works Fund**

Thanks to all who have contributed to the CWF appeal over the last few weeks. All contributions are 100% tax deductible. If you would like to make a contribution before the end of the financial year, please fill out an envelope from the back of the church and put it on either collection plate or contact the Parish Office. If you want to have your regular contributions tax deductible, you can use a CWF envelope each week.

**The Holy Spirit's Role in Renewing the Church with Fr Mike Schmitz**

Thursday, June 3rd, 2021 - 12 noon Sydney Time

There is one certainty to give us hope and confidence and that is the role of the Holy Spirit in the renewal of the Church. From the moment Jesus breathed the Holy Spirit upon the apostles to this exact moment in time, the Spirit desires for renewal, and that renewal starts in our own hearts first. Join the Divine Renovation team as they guide you through a recorded telecast with Father Mike Schmitz. Jude Hennessy from Wollongong will lead prayer for the Spirit to move in us so we can be inspired to go out again on mission to renewal.

### Amoris Laetitia Family Year 2021-2022

The second of 10 videos by Pope Francis is available as part of

journeying together as a Church during the year of Amoris Laetitia Family. This video focuses on how the family is the concrete reality by which we can experience God's love. God is a communion of love between the Father, Son and Holy Spirit and the family is an image of that trinitarian love and makes it present in the world today. The video is accompanied by a print resource to be used as an aid to small group or family discussion.

### What does it mean to be a catechist?

The root word, 'catechesis,' is from a Greek word meaning 'to echo, or resound.'

Catechesis is the act of resounding or bringing the Church's teachings to the world.

**A catechist is one who teaches in the name of the Church.**

## Plenary Council 2021

**Come Holy Spirit renew the face of the earth.**  
**Parish meeting Saturday 29 May at 2pm in the Parish Hall.**  
**Everyone is urged to attend.**

**This is your opportunity to contribute to planning for the future of Australian Catholicism in the 21st century.**

The purpose of the Council is to plan the future of Australian Catholicism. How does the Catholic Church carry out its mission in the 21<sup>st</sup> century? Mindful of Christ's last words to his disciples before his Ascension into heaven:

You shall be my witnesses... to the ends of the earth. (Acts 1:8)

The six themes are:

### **1. Missionary and evangelising.**

The Catholic Church is committed to Christ's injunction – "go and make disciples of all nations." It has a responsibility to spread the gospel not just to foreign lands but within each parish, within each suburb and town. It is a mission carried over to each generation, the elder teaching the younger.

### **2. Inclusive, participatory and synodal.**

All baptised are members of the Church and share its mission. All are called to participate in its administration, its governance and its work. Local issues are best decided by local people. The gifts of the Holy Spirit are bestowed through baptism and confirmation on every Catholic.

### **3. Prayerful and Eucharistic.**

The Church draws its strength through prayer and through the Eucharist. It is Christ centred and it finds Christ through its liturgy, its service to others, its prayer and above all in the Eucharist.

### **4. Humble, healing and merciful.**

The Church is not triumphal, it is not boastful rather it is humble before God and acknowledges its transgressions and failures. In Australia it has had many extraordinary successes but it also has had many terrible failures. It seeks to heal both itself and the community in which lives.

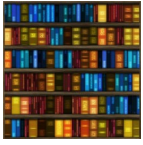

### **5. A joyful, hope-filled and servant community.**

Christianity is not a sad religion but a joyful one. Each baptised person knows he/she is in a covenant with God and is assured through Christ's atoning sacrifice of the opportunity of eternal life. Christianity gives everyone a purpose for life and an understanding of death.

### **6. Open to conversion renewal and reform.**

The Church must continually adapt to the changing world. It must renew itself with each generation and respond to each new challenge. It is in a constant state of renewal. Its divine message is unchanging but the human institutions to carry out that message are in constant need of renewal and reform.

**Come Holy Spirit, renew the face of Terrigal Parish**

### Catholic Library ... recommended, online and free

A new internet library has been established with over 13,000 items specifically selected for Catholic ministry education.

It can be found at <http://sharingtheword.info>. The initiative has proved to be a most useful tool for the thinking Catholic. It was initiated by Hans Arns, a Broken Bay parishioner and retired librarian of CIS Strathfield as part of the Sharing the Word Project for seminary libraries sponsored by the Pontifical Society of St. Peter the Apostle, led by Catholic Mission (Australia). It is already quite widely used in Australia - see <https://www.vaticannews.va/en/church/news/2021-05/virtual-library-boosts-seminarians-access-to-essential-texts.html>.

### Parishes post COVID

The Diocese of Dunedin in New Zealand is sponsoring an online pastoral conference on parishes post COVID in July. The details can be found at <https://aliveinthespirit.com.au/program/>

### Liturgy Resource

*Pastoral Liturgy* is a resource that provides formation articles, reviews of books and music, and liturgical content for Sundays and Feast Days throughout the liturgical year. This resource is produced 3 times each year and is now available free online at <https://researchonline.nd.edu.au/pastoral-liturgy/>

### Social Justice Twilight Reflection Evening

Every year people from the Diocese of Broken Bay, together with the Archdiocese of Sydney and the Diocese of Parramatta gather to reflect on the Social Justice Statement issued by the Australian Catholic Bishop's Conference. The **Tri-Diocesan Social Justice Twilight Reflection Evening**, to be held at **6.00pm on 30 June at Pennant Hills Bowling Club**, is an opportunity to publicly acknowledge the work of social justice ministries across the dioceses and to consider how we as a church can respond to the issues addressed in the statement. This year's topic is mental health in Australia.

If you would like more information about the event or would like to attend, please contact Emma Baker on 8379 1630 or email at [emma.baker@bbcatholic.org.au](mailto:emma.baker@bbcatholic.org.au). RSVP by 16 June 2021 is essential due to catering and COVID-19 requirements
