### Prayer to St Michael

St Michael the  
Archangel, defend  
us in battle; be our  
safeguard against  
the wickedness  
and snares of the devil.  
May God rebuke him we  
humbly pray; and you, O  
Prince of the Heavenly  
Hosts, by the power of  
God, cast into hell Satan  
and all the evil spirits who  
prowl about the world  
seeking the ruin of souls.  
Amen

It will also be **closed on Tuesday and Wednesday**.

Apologies. Fr Vince is at the annual Clergy Conference; Janette is away on leave, Nellie is away on compassionate leave, due to her Dad's recent passing. Our love and prayers to Nellie and extended family on Mario's death.

**Clergy Conference**

The priests of the diocese will be gathering from Monday afternoon to Friday morning for their annual clergy conference. This year the venue is at Wyong and the main input will be from Bishop Anthony since it is the first time he has had the opportunity to address the priests for an extended time.

During the week (Tuesday 15 to Friday 18) there will be a Communion Service at 7.30am each morning. Those who would normally attend Mass are encouraged to still attend these liturgies.

**Mass Times**

We hope that the work on the church roof is now complete. This means that the **Friday morning Mass will return to 9am from Friday 25 June**. So, our weekday Mass timetable will be **Tuesday 7.30am; Wednesday 7.30am; Thursday 7.30am; Friday 9am; Saturday 9am**.

**Gardens**

Around much of the church are windows and glass panels which look out onto gardens. This greenery becomes an important part of our worship space. Now that the scaffolding has been removed, we are looking for a volunteer with some expertise and an interest in developing these spaces and keeping the gardens healthy. If you are interested, please speak with Fr Vince.

Our first meeting started at 16:00 and finished 17:30 which seemed just about right.

We decided to tackle the book by John Paul II when he was Archbishop. "Teachings for an Unbelieving World: Newly Discovered Reflections on Paul's Sermon at the Areopagus". Hope to see you there.

If you are interested, and wish to join please contact Garry 0414192833 or [gazbo2@ozemail.com.au](mailto:gazbo2@ozemail.com.au).

### Tap 'n' Go ..... and help us grow

In the next few weeks we are having two Tap 'n' Go machines installed near the doors of the church. This will allow everyone who comes to the church and has a credit or debit card in their wallet or on their phone to make a donation to the church.

The machines will be installed in the next few weeks and set at \$10 per tap with contributions going to the day-to-day running of the parish and the maintenance of its assets.

Save the date:

**FAIR BY THE SEA (FETE )

## PLANNED GIVING

For the last few years we have not been able to give a tax deduction for contributions to our **planned giving envelopes**.

This means that the process of counting and recording the donation in each envelope, adding each amount, and producing a tax receipt for the end of the financial year has become obsolete. The cost of printing the envelopes has also increased, and so the suggestion has come to and been supported by the Parish Finance Committee that we begin to phase out the use of the envelopes.

These regular, planned donations are essential for us to run the parish and so we are not going to stop using the envelope system, but are inviting parishioners to choose this time to **swap to monthly credit/debit card deductions**.

If you are happy to change, please fill out the form available at the back of the church and put it in one of the collection bags, or drop it into the parish office.

If you are not part of our planned giving programme, you might like to begin by filling out and returning one of these forms.

For those who want to continue with envelopes, they will be available to be picked up next weekend.

**Thank-you** to everyone who contributes to the parish in either of these ways of making regular, planned giving donations. They are our main source of income and essential for the running of our parish.

**If you are looking for a tax deduction you** can make regular contributions to CWF (Charitable Works Fund). Simply place your donation in a CWF envelope and put it in one of the collection bags or arrange to have a monthly credit card deduction set up from the parish office.

 Please note this will be the last weekend for **CWF** giving to claim your tax receipt for this financial year is 19/20th June 2021.

## Amoris Laetitia Family Year 2021-2022

The second of 10 videos by Pope Francis is

available as part of journeying together as a Church during the year of Amoris Laetitia Family. This video focuses on how the family is the concrete reality by which we can experience God's love. God is a communion of love between the Father, Son and Holy Spirit and the family is an image of that trinitarian love and makes it present in the world today. The video is accompanied by a print resource to be used as an aid to small group or family discussion.

Please find a [link to the video and print resource here](#)

Also in the Year of **Amoris Laetitia Family**, the Pope has dedicated his prayer intention for the month of June to the beauty of marriage. The Pope has issued a video celebrating the beauty of married love and reminding people that "God has a dream for us – love – and he asks us to make it his own".

Although married life can be at times challenging, the Pope affirms that "it's worth making the effort" and that Jesus accompanies those walking this journey – married people do not do it alone! <https://thepopevideo.org/>

**Let us pray for young people who are preparing for marriage with the support of a Christian community: may they grow in love, with generosity, faithfulness and patience.**

## Parish Pastoral Council. (PPC)

*On Saturday 29 May the meeting of the parishioners preparing for the Plenary Council requested that, for the future, the agenda and minutes of PPC meetings should be published in the parish bulletin and put on the parish noticeboard. In addition some email contact details will be listed in the bulletin under the agenda so that any parishioner who has a concern or wishes to express a view can contact the Council.*

*The Council meets each month to assist the parish priest in the running of the parish. It includes the parish priest, the principal of our Lady Star of the Sea School, the pastoral associate and a member of the Parish Finance Committee as well as a number of parishioner representatives.*

*The Pastoral Council does not deal with finance. This is the responsibility of the Parish Finance Committee.*

The **Parish Pastoral Council** met on Tuesday 1 June. **Summary** of the meeting follows:

**Chris Lamont** who has given 17 years of excellent service to the PPC resigned due to family commitments. Our thanks to Chris.

The program to train boys and girls in years 5 and 6 from the parish school as **junior servers** for Mass is commencing on Thursday 3 June. Our thanks to Phil Proust and John Barton for making this possible.

A program to establish a **junior choir** from the school to sing at Mass will be instituted. Thanks to Gemma and John Barton for making this possible.

Work to begin on an extension to the **kitchen** in the parish hall is scheduled for this month. The work is to be financed by \$25,000 state government community grant supplemented by parish funds. The kitchen at present is too small and could present an occupational safety risk. When the kitchen is finished, the hall is to be cleaned and new tables purchased. Storage area may be built to hold the chairs and tables

Through the generosity of a parishioner the conference room in the parish offices now has a magnificent **new table and chairs**.

A draft of the **new website** of the parish is now available. Certain works need to be done to transfer parish information and it is anticipated that it will be fully operational by 1 July.

Negotiations are underway for a **new lease** for the Early Learning Centre and the Aspect School.

**Aspect** has made a proposal for capital works to renovate the building, expanded in size to five classrooms and increase their student numbers, and to increase parking available on the site. There will be no cost to the parish, but Aspect will expect an extended lease. PPC approval is needed to apply for a DA. Approval was unanimous.

The **plaque** recognising the connection of the parish to the indigenous communities has now been made and will be erected outside the hall by the social justice group.

The parish will establish a **liturgy committee** to organise the liturgies, especially those for major feast days. The committee will be active in preparation and implementation of the liturgy.

Parishioners are urged to be **welcoming** to visitors to the parish especially to families coming to bring their children to baptism. This should be seen as everyone's responsibility.

The practice, discarded due to COVID, of involving young children a **Children's Liturgy of the Word** at the 8:30am Sunday Mass is to be restored.

Two **"tap and go"** machines have been ordered and will soon be installed at the front entrance of the Church. A person needs simply to tap the machine, which is set at \$10, with their credit card, and payment is taken for the parish account. Persons wishing to donate, say \$20, tap the machine twice. These machines already work successfully in other parishes on the Central Coast.

The parish **planned giving envelopes** will be retained but will eventually be phased out.

The Pastoral Council agreed with Fr Vince to take steps to employ a **pastoral associate to especially work with children and youth in the parish**.

The Pastoral Council was advised that legislation to legalise euthanasia is planned for introduction to the NSW Parliament in September. The Pastoral Council agreed to have speakers to inform us about good quality **palliative care** as an alternative to euthanasia.

*Pastoral Liturgy* is a resource that provides formation articles, reviews of books and music, and liturgical content for Sundays and Feast Days throughout the liturgical year. This resource is produced 3 times each year and is now available free online at <https://researchonline.nd.edu.au/pastoral-liturgy/>

### Plaque

You will notice as you approach the church a stone and plaque which states:

**“ACKNOWLEDGEMENT OF COUNTRY**

We respect and acknowledge the Traditional Custodians of the land of the Terrigal / Erina Catholic Parish.

We also extend our respect and acknowledgement to Elders past, present and emerging.”

This is an initiative of our Parish Social Justice Committee, with the support of the PPC. Thanks.

The garden around the plaque will be developed and we hope to make this area as attractive as possible.
