## WHY DO WE DO THAT? Catholic Life Explained

### Question:

How do I discern if a call to do something big is really from God?

### Answer:

Each day we face plenty of decisions about following God: whether or not to pray, how to treat people, and how to prioritize our time. Sometimes there can be something much more significant we discern: a vocational call, a promotion at work that requires a move, or a new ministry position at church. In addition to a pro-con list or a cost-benefit analysis, here are a few things to prayerfully consider and to talk over with trusted individuals.

*Does it conform to God's will revealed in the Church?* God doesn't call us to do something that contradicts the moral law. *Will it encourage spiritual growth?* Sometimes we need to choose between multiple good options. Consider the personal impact on you and others you are responsible for, like family. Other times we might be invited to do good for others, but when we assess our other life commitments, we see that saying yes to this would actually impede our prior responsibilities in the long run. *Does the call seem consistent?* This isn't to say that God won't do something new. Even so, consider if the call is consistent with your gifts and abilities. Can you see a "through-line" so to speak, with how your experiences have led you to this point? *Do others confirm it?* Share your reflections with trusted, insightful confidantes. Have they seen the same things you have, or are they bringing up new points to consider? Humbly add their relevant points to your considerations. *Don't forget your gut.* After you've carefully considered everything in your mind, don't neglect your instincts. Does your heart say yes or no? ©LPi

## BRINGING HOME THE GOSPEL

Dear Parishioners,

Christ is Risen, Alleluia!

As we celebrate the joy and hope of Easter, the Parish Team of the Catholic Community of North Harbour extends heartfelt greetings to all of you. This season reminds us of God's boundless love, the triumph of light over darkness, and the enduring promise of new life through the Resurrection of our Lord Jesus Christ.

We are truly blessed to have such a faithful and vibrant community. Your prayers, participation, and spirit of service are gifts that enrich our parish and strengthen our bond as a family in Christ.

The Easter Triduum liturgies were especially meaningful, and we want to express our deep gratitude to everyone who contributed to their success. From those who prepared the church and altar to the choir and musicians whose music uplifted our hearts, and to the volunteers who worked diligently behind the scenes—your efforts brought the Paschal mystery to life in a way that touched us all. Thank you for your generosity and dedication.

As we move forward with Easter joy, let us embrace the challenge of living as witnesses to Christ's love and hope. May we continue to build a community that reflects God's light and reaches out to those in need with compassion and grace.

May the Risen Lord bless each of you and your families abundantly during this holy season and in the days ahead.

With Easter blessings,

*Fr Myk and the rest of the Parish Team*

## WEEKLY SOCIAL JUSTICE CHALLENGES

Those of us who are committed to working for justice in the world often find ourselves addressing one problem after another. We can get into a rut of cynicism when our spirits become depleted from all of our problem-solving. It is important for the ministry of justice to step back from the darkness of injustice and celebrate the beauty of what is right with the world. Your Easter challenge is to enhance your spirit of gratitude for the good and just things that happen around you all of the time. Identify them and rejoice for Christ is rising in them.

## CARE FOR CREATION TIPS

"Christ is risen! Alleluia!" God brings life out of death. Nature knows how to bring life out of death too by composting dead organic matter. If you haven't already, start your own compost or worm bin to divert your food scraps from the landfill into valuable fertilizer for your yard or garden (or someone else's). It's easy to do, even if you only have a small space. Check out a book at the library, search for "how to compost" online, or ask at your local nursery to learn how. If you already have a bin going, offer to help someone else get one going too.

## ST CECILIA'S SCHOOL NEWS

In the lead up to Easter, SCB students presented the Easter Story to finish the term: Kindergarten singing Hosanna for Palm Sunday, Stage 2 sharing the Last Supper and Jesus in the Garden of Gethsemane. Stage 3 presented a moving drama of the arrest and Crucifixion of Jesus, and on the last day of school, Stage 1 classes shared the story of the Resurrection. The students presented the stories so reverently, thank you to the teachers who worked with the students, and it was lovely to have so many parents and families share the Easter Story with us.

Term 1 Core Value focus was **RESPECT**.

**School Rule:** Respect yourself, others and the environment

**Scripture:** Each one of you is part of the body of Christ and you were chosen to live together in peace  
(Colossians: 3:15)

**Story:** The Ten Commandments: Welcome others

Congratulations to the Term 1 Core Value 'Respect' Award recipients, your outstanding commitment to living out this value at school is a testament to your personal growth at school. Thank you for being such good role models and friends to your peers.

It has also been a big term of Sporting activities at SCB, with Football and Cricket Clinics running during sports lessons, plus training for the Cross-Country racing competition which ultimately saw six students from each age group selected for the Catholic Schools Broken Bay (CSBB) Northern Beaches

Combined carnival to be held in Term 2. Special mention also to our SCB Swimming team who represented us at the Northern Beaches Combined carnival and to those selected to the Broken Bay and Polding levels in the Catholic Schools primary swimming carnivals. Wonderful achievements. We are very much looking forward to more growth in learning, and spiritual connection at SCB in Term 2.

School resumes for students on Wednesday 30<sup>th</sup> April 2025.

### Sharing the Gospel

Mary Magdalene was surprised when she found the empty tomb of Jesus. She ran and told Peter and John that his body was gone. Peter and John ran to the tomb. They found no body, just strips of cloth. One piece was the cloth that covered the face of Jesus. Peter and John knew that Jesus was not in the grave, even though they did not understand what it meant to rise from the dead.

### Prayer

Jesus, you died and rose from the dead so I can share your life on earth and in heaven. Thank you.

### Mission

I will tell someone that Jesus is alive.
