Group Leaders

The program will require Group Leaders. These are not teachers, but parents who can keep the group moving forward through the material for the session. Parents who have previously guided a child through a program are encouraged to take the role of Leader or to co-share the leadership.

We use the Diocese of Broken Bay program and a Group Leader's kit is provided at the training session on Tuesday 10th March at 7.00pm, plus extra materials each week. The training contains information regarding the topic of each session along with resources to facilitate discussions between the members of your group. A group consists of up to 12 children and their accompanying parent/carer. The role of Leader can be shared.

Please contact Sally Oong for more information on 9489 3221 or email: sacrament@holynamewairoona.com.au.
