Click on the lesson you wish to do
e.g. *K.6.1. God's Gift of The Senses.*

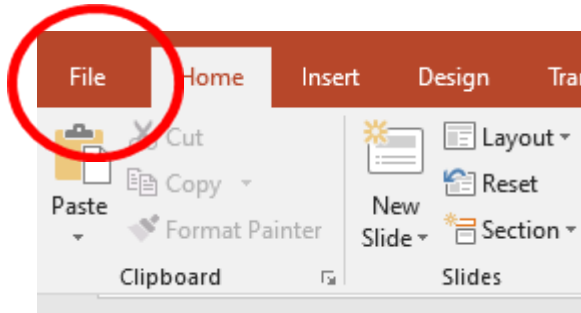

The lesson will appear in a box in
the bottom left of your screen.
Click on this box and the lesson
will begin on the Title slide.

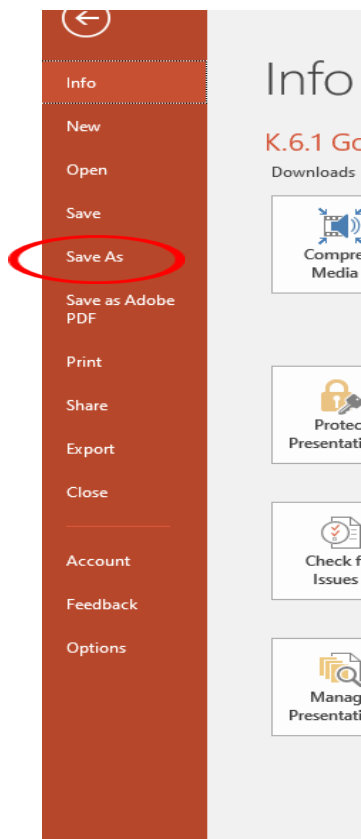

1. Once you have opened the PowerPoint, you will need to click on the 'Enable Editing' button.

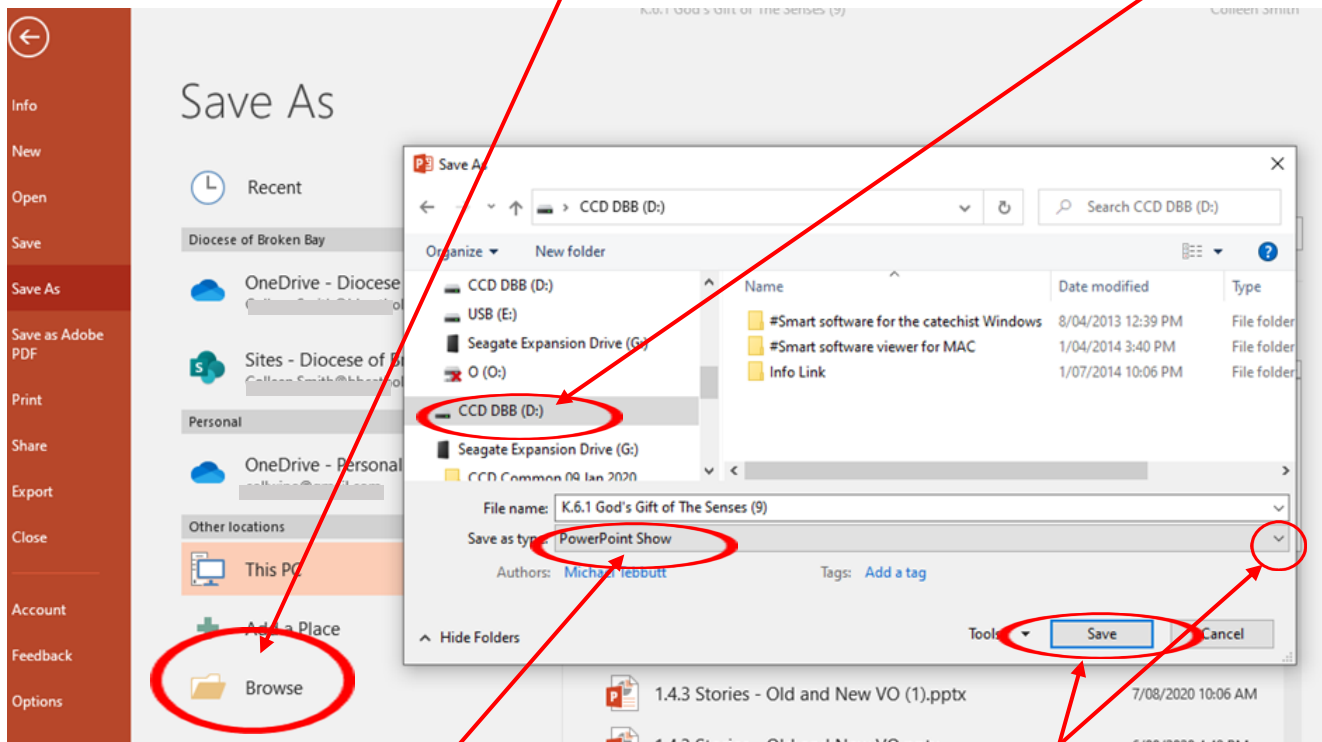

2. Click on the 'File' Tab

3. Click on 'Save As'

4. You will now need to click on 'browse' for your computer to locate your USB drive on your computer. A window will open as shown and, in this example, the USB is called CCD DBB. Select your chosen USB as this is the place to save the PowerPoint.

5. Saving the PowerPoint, we suggest that you click on the dropdown arrow and select the 'PowerPoint Show' option to lock in all media etc then click 'Save'.
