A PLENARY COUNCIL

A Plenary Council is a formal meeting of the bishops and other representatives of dioceses and eparchies of the Catholic Church in Australia. Its purpose is to discern what God is asking of us in Australia at the present time. While the Church should be asking that question continually, a Plenary Council is a particularly graced instrument for seeking the Holy Spirit's guidance. And it has the authority to make Church laws on the results of its discernment.
