Dear Parishioners,

The Parish Pastoral Council (PPC) discerns the vision and mission of the parish. In 2020-21 the PPC has been working from a pastoral plan building on 5 avenues of Christian discipleship: connecting, worshipping, growing, giving and serving. They have also been instrumental in assisting Fr Peter, and now Fr Jim in their leadership of the parish's response to Covid lockdowns. At the end of this year, we are farewelling five members of the PPC who have completed their two-year term: Joan Sally, Geoff Childs, Trish O'Donnell, Genevieve Banks and Jeremy Bowen. We are looking then for parishioners who will be able to take their place in 2022-23. The PPC meets monthly and occasionally at other times. During 2022-23 we will not have access to meeting and gathering spaces at OLHC during the redevelopment. A key question for the PPC will be: how do we maintain a sense of community and connection at OLHC and for the people of Epping? A further question will be as we prepare to move into the new parish spaces at the start of 2024. The new parish centre will feature a state of the art 200 seat hall, parish offices, and various indoor and outdoor gathering and meeting spaces. It is likely that use of these spaces will be much sought after, given OLHC's prominent location in Oxford St. The PPC will help Fr Jim and Fr Bogdan to discern how we want to use these spaces for the life of the parish, before we open up to accepting any external bookings. What groups, what ministries, what activities do we want to develop so that we can connect, worship, grow, give and serve? With these important questions in mind, I invite you to discern whether you would like to be part of your parish's Pastoral Council. Or is there someone whose giftedness you recognise and whom you'd like to nominate? Contact the chairperson, Paddy Watts paddy_watts@bigpond.com, or complete a nomination form which can be picked up from either church.

The Parish Finance Committee (PFC) assists the Parish Priest in the management of parish finances and assets. In recent years the PFC have worked to support Fr Peter in the significant decision to embark on the redevelopment of the OLHC site to provide both renewed physical assets and a source of income to support the mission of the parish into the future. With redevelopment about to commence, in 2022-24 the PFC will assist Fr Jim with determining how the

parish will manage the new parish facilities from 2024, and how to use wisely any income which may be generated from the development for the good of the parish. At the end of 2021 Gordon Floyd and Bob Crane will be stepping down from the PFC after many years of service. John Waddell and Giang Pham will also be stepping down. Fr Jim therefore seeks nominations from parishioners interested in assisting in this important ministry in 2022-2024. The PFC meets monthly plus occasionally at other times. Experience in corporate governance, investment, accounting or asset management is desirable. Please contact the chairperson Mario Rodrigues mario.rod1305@gmail.com or Fr Jim

Bishop Anthony writes: Places of Public Worship are exempt from the requirement of vaccination. Given that both vaccinated and unvaccinated may be present at Masses it will be important that our people discern what may be in the best interests of their safety and that of their families. I recognize that for a number of our people now will not be the time to return to the public celebration of Masses in our churches. Therefore, I continue to suspend the Sunday Obligation until 1 December in order to assure our people of our respect for the personal choices they may need to make during this initial period of emergence from lockdown

Dennis Porteous has been diagnosed with myeloma, a form of blood cancer. He has begun treatment, and this treatment may require Dennis to be away from the parish office on sick leave in the coming weeks. During this time, we welcome Michael Davies to the Parish Team who will be filling in for Dennis when needed. You may be receiving correspondence from Michael, particularly with regard to parish donations and payments. We invite you to keep Dennis and his family in your prayers.

All Saints Day is Monday November 1st. We will have an extra Mass at 7am at OLHC, as well as 9.30am St Gerard's. You're invited to bring a statue or picture of a saint to place in front of the altar during Mass.

All Souls' Day is Tues November 2nd. In addition to the regular 12.15pm Mass of that day, there will be additional Masses at 6pm at OLHC and at 9.30am and 7.30pm at St Gerard's.

....continued on page 2

...continued from page 1

We recognise that in these past two years many people have been unable to travel to funerals for people they love, and so this will be an opportunity to pray at Mass for someone you love. You will be invited to light a candle in remembrance at place it upon the altar.

Book of Remembrance: Each church has a Book of Remembrance for the people we love who have died. We invite you to write the names of anybody you love who has died this year. This book will be placed on the altar for Masses on All Souls' Day.

November is the month of remembering those who have died. We often receive more Mass offerings than there are Masses in November, so this year, if you would like to make an offering to have Mass celebrated in memory of a deceased loved one, these will be sent to the priests of the Diocese of Mendi in Papua New Guinea to be celebrated there, where the donation will be of great support. This is the diocese which Fr Bogdan and Fr Marek both ministered, and they will be able to ensure that the Masses are said and the donations go directly to support the clergy there.

Parking at St Gerard's: A long-standing arrangement has been that St Gerard's School has seven of the twenty-four parking spaces between the school and meeting room allocated to their staff, with the remainder available for parishioners. To help make this clearer there will soon be signage on the school fence showing that these are the seven spaces closest to the school, on school days. All parking is for parishioners on weekends. We will soon have the parish office located at St Gerard's. When visiting the office, please note that there is a boom gate on the St Gerard's driveway until 9.15am and from 2.45pm to 3.15pm on school days, and visitors to the office should come outside of these times.

Ministers of the Word: Carole Wilson is taking up the role of Coordinator of Ministers of the Word at St Gerard's. She will liaise with Ministers of the Word regarding rostering, special occasions, and training. Several ministers have conveyed to Carole that it is difficult to hear the homily from where they sit behind the ambo, and so we have decided that ministers are welcome to return to the pews after their reading, and then to come up to the ambo for the prayers of intercession. There is no change at OLHC.

Air Conditioning: Work continues on the installation of the air conditioning at St Gerard's, with custom made ducting now being installed to the a/c units behind the church.

Parish Office—Move to Carlingford

The Parish Office will be moving to Carlingford on the 8th November.

The office will be closed from 3rd November at Epping and reopen at Carlingford on the 10th November.

Thank you for your understanding.

Supporting the Parish while we are in Lockdown

The Catholic Church has a strong tradition of giving, following in the footsteps of St Paul who spoke about caring for one another; it has established and supported many worthwhile charities throughout its long history.

This culture of charity continues on, but a parish can only sustain itself and these charitable works with the help of its parishioners whose generosity makes great things possible.

We ask you to consider making a donation to the Catholic Parish of Epping and Carlingford. To do so please use the following bank account: Please note that the two accounts previously shown have been changed by the bank; you are asked to use the account shown below.

Redevelopment Activity

As advised in recent Bulletins, we are currently finalising the list of items that will no longer be required and therefore hoping to find them good homes before the redevelopment building works commence in the New Year. To this end, as part of our 'sales strategy' we will be planning to hold a rolling **Garage Sale** of these items. We will be holding mini garage sales *after one of the weekend Masses at Epping* from 21 November, with a big Garage Sale on Sunday 12 December. More details to come closer to the time, but items available will include household furniture (tables, chairs, wardrobe, bookshelf, some white goods (bar fridge, washer, dryer, dishwasher), household effects and kitchenware), as well as our excess office furniture including desks, chairs, cabinetry, bookshelves and filing cabinets.

We are also planning a **'Historical Display'** (for those that attended the OLHC Centenary in 2016, you may remember the Display we held as part of these celebrations) after a weekend Mass at Epping over the 4 weekends from 21 November. You are invited to come along and immerse yourself in the life and times of the Parish at the Epping site.

If you are interested in being part of the working teams for either the Garage Sale or the Historical Display please contact the Parish Office, or Kevin Macdonald on 0490 338126. As they say, many hands make the work lighter.

Ministry Symposium: "Fresh Heart, Fresh Hope" Practical Exploration with Live Panel

In this one-day symposium, we explore best practices and pitfalls in our efforts to engage our communities and key groups to effectively grow our mission in Jesus Christ.

Our scenario is a fictional parish, planning for 2022. We will journey with its representatives through the experience of a live panel consisting of a Parish Priest; School Principal; Life, Marriage, Family Coordinator; Parent in the School; Pastoral Council Representative and Young Person. We explore three key moments in the life cycle of the parish, with the panel guided by a facilitator looking at:

Session 1: Let's Dream Big! Engaging with the community – both present and disconnected – in a new vision for 2022.

Session 2: Managing Change Managing the tensions, roadblocks, and opportunities for healthy conflict and collaboration as the vision starts to come to life.

Session 3: Making it Happen Determining how to align goals, resource actions, and keep people motivated through safe and healthy processes.

After each panel session, small group sessions further develop ideas and approaches.

In our rapidly changing world we are invited to consider new and innovative pathways in ministry. Fresh Heart! Fresh Hope! Offers inspiration through a practical scenario for getting going in 2022 with the Holy Spirit and your community for the sake of Christ's mission!

Emma Baker, Life, Marriage and Family Coordinator for the Diocese of Broken Bay will participate on the panel.
