Dear Parishioners,

**Coming back to Mass:** We don't yet know when restrictions will be lifted to allow us to return to Mass, but, we wait in hope for these announcements from the NSW Govt later this month. The language the government is using at present suggests vaccination may be a requirement to take part in public gatherings, which would include at places of worship. For this, and for every other reason, I encourage you to seek your vaccination now if you have not already done so. Bishop Anthony also encourages you to be vaccinated, and Pope Francis has said that being vaccinated at this time is "an act of love....for oneself, for our families, and friends and for all people" (Aug 18th). None of us however are qualified to give you specific medical advice (and neither is anybody on the internet), so please, if you have any hesitation or questions about being vaccinated, please see your own doctor now. – Fr Jim

### Checking in at Mass:

Checking in to Mass will be more important than ever. Scanning the parish's QR code at the entrance to the church will continue to be the normal way for most people to check in. Previous-

ly we had offered the option of signing in with pen and paper for people who were unable to scan a QR code. However, the speed at which the delta virus spreads makes this less suitable, and so Service NSW now offer a "covid check-in card" which will have a unique QR code for you, which can be scanned at the door of the church (and other venues). This can be obtained at [www.service.nsw.gov.au/transaction/create-covid-19-check-card](http://www.service.nsw.gov.au/transaction/create-covid-19-check-card). If you cannot access this yourself, call the parish office and we can do the application on your behalf and have it posted to you. You might also like to reach out to your neighbours and elderly relatives to assist them with this.

**Welcome back** to Denis McNamara with whom the parish has again contracted to lead missionary discipleship programs. You'll see an invitation from Denis in this bulletin.

**Afghanistan:** We have watched tragic events unfold in Afghanistan and felt helpless, not knowing what we can do to assist. While we are distant from the plight of people who are unable to leave Afghanistan, we can be of help to

people who are seeking asylum or who have been granted refuge in Australia. Jesuit Refugee Services <https://aus.jrs.net> offer assistance to refugees and asylum seekers from all backgrounds, and their website also links to a petition to the government to request asylum be given to greater numbers of people fleeing Afghanistan.

**The Epping Development:** If you've walked past OLHC Church lately you may have seen a "Notice of Proposed Development" placard placed on the front fence by Parramatta Council. While the Development Application for the redevelopment of the site was approved in May last year, this notice is for a "Section 4.55 (1A) modification to approve a number of changes associated with the design development including optimisation of floorplates, minor external façade refinements, revised stormwater design and revised landscaping"

This redevelopment project has now been underway for several years and there have been parish forums and numerous updates over this time. Official updates are posted on our parish website <https://www.bbcatholic.org.au/epping-carlingford/our-parish/epping-development>.

In November this year we will be moving the parish office from OLHC to St Gerard's, and Fr Jim and Hien will move into the presbytery at St Gerard's with Fr Bogdan. The presbytery and parish office buildings will be decommissioned at the end of the year ahead of us providing vacant possession of much of the OLHC site to Stockland, our development partner at the start of 2022.

OLHC Church will continue to be open, and all weekend Masses will continue throughout the development period in 2022-2023.

In lockdown, the great escape is to watch hours of fantasy, to live in someone's imagination. As the Everly brothers sang, "dreaming my life away". The great challenge is to live in the real world.

Remember the parable Jesus told about the three servants. One received five talents, one three and the third received one talent, then the Master went away. When he came back, he asked what each had done with what they had been given. The first two

invested and made a profit. The Master gave them more. The third buried his one talent, then returned it to the Master. A poor choice! Even that was taken from him.

We have this time in lock down, so invest your talent or some of your five talents in learning. When you *Unlock the mystery of the Bible* you read the history in the Bible. You meet these real people, so you understand their choices. You see the consequences for themselves, their families, and their nation.

The Bible tells the story. It is also our story, and we need to know it, for we will learn the choices we have and the consequences of those choices for ourselves, our family, and our nation.

You can join those ***Unlocking the Mystery of the Bible*** on **Tuesday 5<sup>th</sup> October in the morning or the evening**. We *Unlock the Mystery* online as Jeff Cavins opens up the Bible for us. We join our group to discuss the section of the Bible we have read and discover how God's plan is unfolding for us.

We offer ***Unlocking the Mystery of the Bible*** to everyone. No need to go out, just join us online. You can invite neighbours from our parish, friends and family from outside our parish!

*Holy Spirit guide us to focus on what is real. Help us invest our time and talents to understand the story of your plan for our family. Enlighten us to discover our place in God the Father's plan. We pray in Jesus' name.*

Please let Denis know if you are joining us at Unlocking the Mystery of the Bible. Email him on [denis@eppcarl.org.au](mailto:denis@eppcarl.org.au)

## Father's Day 2021

### WHAT MAKES A DAD?

God took the strength of a mountain,  
the majesty of a tree,  
the warmth of a summer sun,  
the calm of a quiet sea,  
the generous soul of nature,  
the comforting arm of night,  
the wisdom of the ages,  
the power of the eagle's flight,  
the joy of a morning in spring,  
the faith of a mustard seed,  
the patience of eternity,  
the depth of a family need,  
then God combined these qualities,  
when there was nothing more to add,  
he knew His masterpiece was complete  
and so,  
**He called it....Dad**

### Supporting the Parish while we are in Lockdown

The Catholic Church has a strong tradition of giving, following in the footsteps of St Paul who spoke about caring for one another; it has established and supported many worthwhile charities throughout its long history.

This culture of charity continues on, but a parish can only sustain itself and these charitable works with the help of its parishioners whose generosity makes great things possible.

We ask you to consider making a donation to the Catholic Parish of Epping and Carlingford. To do so please use the following bank account: Please note that the two accounts previously shown have been changed by the bank; you are asked to use the account shown below.

## Sacramental & Children's Ministries Information

### Children's Sacramental Journey - Confirmation 2021

Our online preparation sessions for Confirmation are now completed. Until such time as we are permitted to gather, the families are keeping connected via intermittent emails and newsletters from me and through our parish online activities. I have been looking into creating interactive worksheets in the form of an online booklet. This would enable the children to keep learning as well as save the parents having to print the sheets out. I hope this works out, so please keep us all in your prayers!

It has been a wonderful 4 weeks for us as we gathered online each week to discuss the sacrament of Confirmation. The intimacy of the parent-child interaction was so clearly visible from where I sat. In the comfort of their own homes, they felt secured and I feel this must play a part in their active participation online as there were no inhibitions to speak up and contribute to our discussions. We were also able to all participate in a candle-lighting ceremony to explain the significance of their baptismal candle, do some Annunciation craftwork to make two statues, one of Our Lady Mary and one of the Archangel Gabriel using toilet rolls and role-played (of course I got to be the Bishop!) as we practised renewing our baptismal promises. Each week, different families would email me the sacred space they had set up at home with holy symbols such as the crucifix, the Bible, etc.

This is a challenging time for us all; we are doing our best to support the children and their families as we journey through this. We can't wait for the time we can gather again! In the meanwhile, here are a few photos of the online sessions sent to me from parents

### First Plenary Council Assembly Moving Fully Online

At long last, starting 3rd October 2021, the Catholic Church in Australia will gather for the first Assembly of the Plenary Council. Due to the current climate the format of the assembly has evolved from a large gathering, to smaller hubs and now to a fully online gathering with one person per device. While not ideal and not what we had hoped, the national team will continue to assist and support the members and delegates so that they may participate as effectively as possible.

While many may question why we are proceeding with the Plenary Council at this time, the desire to fulfil Christ's mission, no matter how difficult the circumstances may be, is part of the thinking in moving ahead. It is precisely the challenges that people are now facing, the isolation and discernment, that we are hoping the Church will be able to address. Please continue to pray for the Plenary Council, the members and delegates as they prepare to fulfil their role in the coming months.

You can keep abreast of all the latest news, access the *Instrumentum Laboris* and sign up to the Plenary Council Newsletter by heading to the National website: <http://plenarycouncil.catholic.org.au/>

**Our Sunday night Liturgy of the Word** is a great way for people of all ages in our parish to connect as we listen to and respond to God's Word. Gavin writes "It has been a gift for us as a family to have the opportunity to pray together, especially with other people in the Epping/Carlingford community. It is often difficult for all six of us to attend Mass, but all of our children have found it very engaging. Especially the Antioch young adults have been great for my kids and hearing their stories in the breakouts."

**Social Justice Sunday 2021/2022**

As we celebrated Social Justice Sunday last Sunday 29th August, the Australian Catholic Bishops Conferences' Social Justice Statement 2021-22: *Cry of the Earth, Cry of the Poor*, affirms that "we human beings need a change of heart, mind, and behaviour".

## Pastoral Works Broken Bay

Rebrand of CWF to **Pastoral Works Broken Bay**.

We are delighted to announce the Charitable Works Fund (CWF) has rebranded to **Pastoral Works Broken Bay** in July 2021.

The purpose of the new name is to better reflect the authentic, life-giving pastoral work you are helping to support, and provide a name that uniquely connects it to our Diocese of Broken Bay.

Pastoral Works Broken Bay will play a vital role in building on the **six Pastoral priorities** for the Diocese, including giving vital support to life-changing ministries, nurturing families, and parish communities.

Each year, about 20,000 families and friends—those in hospitals, schools, parishes, and the wider community—will be assisted through the generous support of parish communities to Pastoral Works Broken Bay.

Thank you for your support of this important and historic initiative for the Diocese of Broken Bay.

My prayer is the change from CWF to Pastoral Works Broken Bay enables us to reach further and wider in helping our local community, and more deeply connects us to the mission of Jesus.

Most Rev Anthony Randazzo DD JCL,  
Bishop of Broken Bay
