Why planned giving is important:

30 OCTOBER 2022 THIRTY-FIRST SUNDAY IN ORDINARY TIM

6 NOVEMBER 2022 THIRTY-SECOND SUNDAY IN ORDINARY TIME

At the Epping and Carlingford Parish, we aim to foster the goodness and love that comes from Christ with everyone. Our world needs all to appreciate this love every day. Similarly, the capacity to love grows day by day. The sunshine that illuminates our hearts brings light and warmth to ourselves and others; most importantly, it shows how they can also be beacons of light and warmth. This happens by praying a little better, reflecting a little better, discovering a little more and seeing the world through a prism of opportunity and thankfulness. Our world is built by little steps; one more good experience, one more new friend, and one more heart that is softened to the plight of humanity.

Fr Jim and Fr Vincent have a vision and a plan. Your volunteer Pastoral and Finance Committees wholeheartedly support this plan, and that is to reach more people with the goodness and love that comes from Christ. We especially would like to see more young families as they are the vitality of the

future, yet susceptible to missing the broader benefits available from Christ's love by not being part of a supportive Christian community.

When my children went to school in this parish, the fellowship of parishioners nurtured us beyond our family life. This is not chasing a golden age of a bygone era, but rather we know if you till the soil, plant the seeds and keep the weeds down, God will provide the rain and sunshine. Past generations of parishioners have created a supportive community through their contribution of time and resources. All generations, especially today's generations, can experience this love and goodness by prioritising God's local vision of fellowship so our children can see the good we do. They, in turn, become good, happy and nice.

We appeal to you not to see this weekend's planned giving appeal as a burden but to look at it as building a strong community of thoughtful people. We do this through weekly prayers connecting us with God, personal development through learning and engagement, and weekly activities connecting people. This is how we grow individually in God's love, week by week. **~ Richard Houwing**

Welcome Fr Aldrin Valdehueza who is celebrating a Mass of Thanksgiving with us on Saturday 29th 6pm at St Gerard's. His parents Edu and Marites who are visiting from the Philippines will also be with us. Come join us for supper in the meeting room after Mass.

UPCOMING CELEBRATIONS

All Saints Day is Tuesday November 1st. This is a solemnity so we will have *Mass at* **9.30am** at **St Gerard's** instead of the monthly Healing Mass. You are invited to bring a picture or statue or a saint to place before the altar during Mass.

All Souls Day on Wednesday Nov 2nd begins our month of remembering those who have died. We will have *Masses at OLHC at 7am and 6pm*, and at *St Gerard's at 9.30am and 7.30pm*. There will also be *Mass at North Rocks Catholic Cemetery at 4pm* followed by the blessing of graves. You may like to bring a photo of a person you love who has died to place in front of the altar.

IMPORTANT DATES

On Sunday November 6th our parish will have a liturgy at Macquarie Park Cemetery at the Ascension Hill gazebo from 11.30am followed by a shared lunch together. This will be an opportunity to pray at the grace of people we love who have died, and to find support in one another. Feel free to bring a plate to share (tea, coffee and sandwiches will be provided).

Venue: David Lusby Pergola, Ascension Hill. Macquarie Park Cemetery and Crematorium. Cnr Delhi and Plassey Roads, North Ryde. <u>https://nmclm.com.au/locations/macquarie-park/</u>

Remembrance Mass for Children who have died: To have had a child die before you is tragic, whether that child was 6 days old or 60 years old, and whether they died from accident, illness, suicide, miscarriage, abortion or stillbirth. There is a particular grief which accompanies this loss and deserves tending to, even many years afterward. We will celebrate Mass in remembrance of children who have died on Wednesday Nov 16th at 7.30pm at St Gerard's.

OLHC DEVELOPMENT UPDATE

It is now several weeks since the demolition of parish and school buildings have been completed. Following the upcoming approval from Sydney Water we will soon commence piling and the excavation for the carpark. This work will take several months and access requirements of the piling rig will require:

- · Removal of the spiral staircase with reinstatement once works are complete
- Removal of white concrete awnings from the Western side of the Church with reinstatement once works are complete
- Removal of a white concrete awning from the Northern side of the Church with no future reinstatement

Weekday Masses at OLHC: 12.15pm Masses at OLHC continue to be on hold as we await the excavation phase of our building works which we expect will generate a level of noise which would make Mass impossible. We continue to have Monday night adoration at 6pm and Wednesday night Mass at 6pm which fall outside construction times.

CHILDREN'S MINISTRIES

INTERESTED IN ALTAR SERVING?

Altar serving is an important ministry in Church Liturgy. As an Altar server, you are one of the liturgical ministers during the Mass or other liturgical services. It is a privilege to minister as an Altar server. Servers assist the priest at the Altar and help the church community worship in a prayerful way. Should you desire to respond to God's call to become an Altar server (Senior or Junior), you will be most welcome! For Junior servers, children should already have made your First Eucharist. If you are interested, please get in touch with me via email and let me know your child's age as well as which church he/she would like to serve so that I can put you in touch with the right people. I look forward to hearing from you!

KidzPlay - Playgroup

We had many excited little people last Friday when St Gerard's held their first playgroup in over 2 years. KidzPlay kicked off with some song and dance and stories to learn about the miracle of God creating everything through him - this week was about the wonder of caterpillars becoming butterflies. This was topped off with the kids each creating their own colourful egg carton caterpillars which they were very excited to share with the Parish. Photos below.

A huge thanks to the Parish Team who helped in the various stages of planning and contribution of ideas, the parents who contributed in different ways and the support of Mrs. Barbara Yee, our parish school principal at St Gerard's.

Remember that KidzPlay is open to all in our local community and runs every Friday morning at 9:30am in the hall, so feel free to drop in and say hello!

World Youth Day update: See another one of our pilgrims attending World Youth Day next year!

Getting to know your 👩

Hola Amigos!

My name is Shaz and I am a part of a wonderful Catholic Youth Group called Emmaus. This will be my first time experiencing World Youth Day and I am extremely looking forward to it. I've heard from people who have been that it is a profound experience unlike any other and brings you closer to God.

Being involved with Emmaus has been heartwarming as for many years I longed for a community of caring like-minded young adults that embraces faith and also have fun at the same time. It fascinates me how despite our adversities and differences we can all be united by faith.

With the travesties going on around the world these days, poverty and war across the borders, I hope this World Youth Day trip will help future generations remain hopeful and optimistic about the future ahead.

Thank you so much to everyone who bought raffle tickets for WYD fundraising. Our winners were:

1st place- Yael 2nd place- Anu 3rd place- Gabriel

CATECHIST CORNER

Our **Special Religious Education (SRE) Mass** for public primary schools took place on October 23, 2022 at St Gerard Majella Church, Carlingford. Fr Jim welcomed all students and their families coming together for this special occasion in which the SRE students took part in various ministries in the Mass. Those activities included: «Readings and Psalm», «Bible Procession (accompanied by candles)», «Leading the Prayers of Faithful» and «Presentation of Gifts (Bread and Wine with flowers)».

The SRE students from different schools also formed a lovely children choir who sang hymns at the Mass. All the participating SRE students were well prepared and eager to participate in their roles. They received a huge round of applause from the congregation for their wonderful participation and reverence.

The Mass was followed by a sumptuous morning tea and jumping castle where everyone enjoyed some good food, drinks, friendly chats and not the least, a game of fun.

We thank the children and parents for their effort in making the SRE Mass possible, the catechists for their continuous support in the event and all ministries and people who have contributed to the occasion. We also thank the schools : Epping Heights, Epping North, Epping Public, Epping West, Murray Farm and Roselea for their continuous support to their Catholic SRE students and teachers.

ALPHA REUNION: A WRAP-UP

The first Alpha started in 2017. Denis McNamara and the team made preparations in winter and Alpha officially kicked off in spring that year. We have had a fantastic run; so many returned to be hosts and helpers on the teams!

A few weeks ago, we had a lovely reunion. We caught up over a meal full of memories and full of hope and of course, in true Alpha spirit, with plenty of food! Few people had sent their apologies and they have certainly been missed.

Maureen and Denis also came to join us and we looked back over the last five years of Alpha, Unlocking the Mystery of the Bible and The Wild Goose. Thank you to all who helped in different ways to make this reunion possible! Photos of the evening to share:

Wishing Denis & Maureen all the best

Being the Pilgrim Church: Synod 2021-2023: For a Synodal Church," is a two year process initiated by Pope Francis last year that allows bishops to consult with Catholics — from parishioners all the way up to priests — in a spirit of collaboration and openness. Much of this has been overshadowed in Australia by the Plenary Council and other local events, but it is a significant event in the life of the Catholic Church. This year is 60 years since the Second Vatican Council. Dr Debra Snoddy, an enlivening scholar from the Catholic Institute of Sydney will present two seminars on Lumen Gentium, one of the principle documents of Vatican II, and how this can shape our understanding of the 2021-2023 Synod. This will be held at Chatswood Parish on Saturday Nov 5 and Nov 19 from 2.30pm – 5pm. Contact gail.gill@bbcatholic.org.au

Admitted to Hospital: A reminder that if you are admitted to hospital, please try to ensure that you write down your religion as Catholic on the admission form, so that you can receive Catholic services during your stay.

How to plan your funeral: Many of us will be called upon to plan a funeral for someone we love, sometimes unexpectedly. During November we will also have a seminar on how to plan your funeral (for yourself or someone you love). Or, you may want to do some planning for your own funeral in advance to take the burden off your family when the time comes. Join Fr Jim and Ben from Albert & Meyer funerals for an information session on *Monday November* **14th either 10am at St Gerard's Church or 7pm at OLHC Church**.

Recycling: As we continue our commitment to the Laudato 'Si principle of reducing waste, we have begun recycling the coffee cups we use at weekend Masses through specialised recycling (these can't go in the yellow bin). Please ensure you put only empty cups in the receptacle at morning teas. And we will be welcoming back Arnies Recon to the parish on *Sunday November* 13th from 7am – 9am who will collect electronic goods for recycling. See <u>https://www.arniesrecon.com/</u> for a list of what can be recycled.
