7 AUGUST 2022 NINETEENTH SUNDAY IN ORDINARY TIME 14 AUGUST 2022 TWENTIETH SUNDAY IN ORDINARY TIME

The Catholic Parish

of Epping & Carlingford

Join us this Sunday at St Gerard's for our social justice forum on the environment. We'll share stories of why the environment is important to us, hear from experts, learn its context within Catholic Social Teaching and find practical ways in which we as a parish can live in a more ecologically sustainable way. *11am – 1pm in the parish meeting room Sunday Aug 7th.*

Also on this Sunday we invite you to bring your recycling to an **Arnies Recon specialist recycling pickup in St Gerard's carpark from 8.30am – 12pm**. Arnies recycle computers, laptops, mobile phones, computer games and consoles, servers and server racks, stereos, speakers, DVD players, Foxtel boxes, phones, heaters, fans, televisions, calculators, printers, medical equipment, tools, washers, dryers, air conditioners, microwaves, dishwashers, cables, remotes, chargers and batteries. Everything is re-used or recycled, and nothing goes to landfill. *Please enter via North Rocks Rd as usual, and then drive through to Roselea Rd*.

Lights at OLHC: Earlier this year Richard Houwing arranged new floodlights at the front of OLHC Church, and this week improved lighting to highlight the front of the church itself. As well as to improve safety, the lights along with the new plants and benches help to highlight the church's significance on Oxford St, particularly during the redevelopment. We want Epping to see that OLHC is open and vibrant, and ready to welcome them.

The Feast of the Assumption is Monday August 15th

Mass times are as follows:

- St Gerard's 7am
- St Gerard's 9:30am with St Gerard's school
- Our Lady Help of Christians' 6pm (in lieu of Adoration)

GIVING - THANK YOU

Last week Fr Jim wrote to over 300 people who are committed givers to the parish with a letter of thanks and a receipt for their donations during the previous financial year. Please get in touch with the Parish Office if you are a planned giver and did not receive your letter by mail.

In that letter, he provided two bank account numbers to which you can regularly contribute through Direct Debit or EFT. The two separate bank accounts are for; i) clergy support, and ii) the church account, which goes to the running of the parish. This is the same order in which they are collected at Mass.

Some people have already contributed to both funds by asking the parish to split their single donation across both accounts. We ask that you please use the different account numbers in the letter to allocate your donation. This is to help us to streamline the processing of receiving donations electronically and reduce running costs. To keep our donation processes clearer, we will no longer split single donations from next week and transfer funds from one account to the other in the Office. Instead, donations will remain in the account to which they were deposited. Don't hesitate to contact the Parish Office on 9876 2853 if you need clarification about how to give to these accounts.

ST GERARD'S 50TH ANNIVERSARY CELEBRATIONS - 16TH OCTOBER 2022

A Golden Jubilee Reflection from Margaret Hall

My husband Pat and our three children, made Carlingford home in 1963, the same year St Gerard Majella became an independent parish, separating from what had been the Dundas/Carlingford Parish. As a young family, pursuing the Australian dream to acquire our own house, we moved from my parents home, to the suburb of Carlingford where new homes were being built. Our place of worship was what is now the parish hall, having been constructed into a modest church after being decommissioned as the Pennant Hills Wireless / Radio Station.

Whilst facilities were somewhat make-shift, the community was growing and vibrant. For Pat and I, and what would eventually grow into a family of seven children, this parish community was our extended family, a place of friendship, support, warmth and comfort.

..... continued from previous page - Margaret Hall's article

Within less than 10 years, we were planning for a new church, not only something bigger, but more beautiful. Whilst the budget was modest, and compromises had to be made, but with the drive and vision of Father Nolan, we made it happen.

My own children have very fond memories of watching a new church beginning to form, and the dusty slope known as Wattle Grove, that had been a play area named for the shrubs that provided shade there.

This Golden Jubilee of our church is an occasion for me to give thanks for the parish community, including it's school, that brought it to life. We took pride in our new church, but of more value has been the community that has worshipped in it and from which so many friendships and good works have been emanated.

SACRAMENTAL PROGRAMME & CHILDREN'S MINISTRIES

Confirmation 2022: Preparation sessions for the Candidates have begun after the Rite of Enrolment last week. We certainly started the Confirmation journey with a party for the children! After being presented at Mass with their parents, everyone had great fun with a bigger than usual morning tea and a jumping castle. I am so grateful to everyone who made a wonderful morning possible, especially the parents who accompanied their children and the hospitality team for coming together to support our parish Sacramental Programme. There are lots of exciting things happening in the coming weeks as the children progress through the preparation. Please keep us all in your prayers.

This week, we discuss why each child's baptism story is so important, that it marked the beginning of his/her life as a follower of Jesus and as a member of the church. We show the children the symbols used at their baptism to help them further understand how significant that day was and how it ties in with Confirmation. As the children were baptised when they were babies, they did not know so much was involved, how many people were present, etc. Through our discussion we laughed at how the adults fussed whilst the baby slept through everything!

Kidz Word at St Gerard's during the 9:30am Mass has resumed and is always fun whilst our awesome leaders engage the children in activities that relate to the Sunday's Gospel.

CONNECT - OLHC EPPING

As part of the NPEC role I am looking at ways to better enable connection between each person/group and the church, and also each person in relation to others in our lovely OLHC church community.

To aid with this I would love to know your thoughts and ideas about things that have worked in the past, things that are going well now and what you think might be cool for the future. Can you think of anything that might fit in any of those areas?

If you do please contact me in person, email Serena.Kozanic@bbcatholic.org.au, or through phone or text 0414 753 799 by the end of August. ~ Serena Kozanic

PARISH SUPPORT FOR REFUGEES & ASYLUM SEEKERS

Essential items for many in the community are often in short supply. Our practical support for JRS this month is to request donations of three items listed in the previous bulletin. Marked boxes will be in the churches for:

1) Cooking or olive oil

2) Green or red lentils (1 kg or 375 grms)

3) Liquid clothes detergent.

JRS currently has an employment opportunity open:

The role is for a Schools Engagement Officer, and is a five day per fortnight role, so could be a great fit for someone who is currently studying, someone who's a youth leader or someone that has been volunteering but wants a job in the sector too. This is an exciting role for someone with a passion for

engaging and educating school communities on issues facing people seeking asylum and refugees. In this dynamic role the officer will be creating and delivering workshops, supporting young people in their advocacy and action, coordinating school engagement events range of audiences. and developing educational resources for а For further details here is the link: www.ethicaljobs.com.au/members/JRS/schools-engagement-officer

What does Catholic Social Teaching Say about Refugees and Asylum Seekers?

The option for the poor

The question of how we should respond to strangers is the same as the one posed by the lawyer when he asks Jesus: 'Who is my neighbour?'

Jesus answers with a story of a man his hearers despised – a Samaritan:

A man was going down from Jerusalem to Jericho, and fell into the hands of robbers, who stripped him, beat him, and went away, leaving him half dead. Now by chance a priest was going down that road; and when he saw him, he passed by on the other side. So likewise a Levite, when he came to the place and saw him, passed by on the other side. But a Samaritan while travelling came near him; and when he saw him, he was moved with pity. He went to him and bandaged his wounds, having poured oil and wine on them. Luke 10:30-34

Jesus asks, 'Who proved himself a neighbour to the man?' and the lawyer replies, unwilling to even name the Samaritan, 'The one who took pity on him.' The one who is neighbour is the one who acted because he was moved by compassion.

The first step in showing a special concern for the poor is to notice. Jesus notices. He turns to people who are scorned, rejected or overlooked in the society of his time: the children, the widow with only a small coin to offer in the temple, the outsiders - even lepers, extortionists and prostitutes - and finally the criminal who is crucified with him on Calvary. He shows that God loves them unconditionally.

In the story of the Good Samaritan we see that our understanding of 'who is our neighbour' and what we owe them is not limited by borders, race, caste, religion or politics. Our neighbour is the person before us in need. Those kept faceless and nameless behind the veil of border security operations are now revealed to be our brothers and sisters - the mother and child fleeing war, the father desperate to secure a future for his family.

COMBATING HOMELESSNESS TOGETHER

Please help us fundraise for CatholicCare's homelessness services across the Diocese

Donor envelopes available during Mass Saturday 6 & Sunday 7 August. Or visit www.catholiccaredbb.org.au/homelessness

There is no place like home – but for many having a home is not a reality. The causes may be diverse, but the impact is the same – a loss of dignity and a sense of hopelessness. Thank you to our Parishes for helping us fundraise for CatholicCare's homelessness services. A donation drive will take place during Homelessness Week on 6th & 7th August. Thank you in advance for supporting this important Diocesan initiative.
