## MINISTRY NEWS

Choir leaders, musicians and Audio Visual people who provide music for Mass and ceremonies at Queen of Peace and the Cathedral, met on Monday 26 September to discuss how we can better fill the need for music in the Parish. Topics discussed included:

The sound system in both churches

The co-ordination of music

The roster of choirs

The need for a longer term view because of the time it takes to prepare and rehearse, especially for major events such as Christmas.

We are developing a proposal as well as our own action for music management and direction, and will meet again on 10 October to discuss ideas being developed, in the light of information from the Liturgy Committee.

We do know that there are several Masses each weekend not covered by music so we need more singers and musicians. Music ministry is a commitment which brings a great deal of personal joy so please contact us through the parish office if you would like to join in. From my personal perspective as a musician, playing music for the Church is a great learning experience and a great way to develop your talent.
