

Vox Populi

03 April 2025

This weekend, the Church will celebrate the Jubilee of the Sick and Health Care Workers, as part of the Jubilee 2025.

The two-day celebration honours sick and healthcare professionals, including doctors, nurses, health workers, volunteers in the health sector, and pastoral health workers.

Sick and health care workers play a vital role in our society, assisting people who are often in their most vulnerable and difficult moments of their life.

Christ is sometimes given the title of the “Divine Physician” for curing physical and spiritual sickness within those he met.

Our sick and health care workers today often show the face of Christ to those who are facing illness, pain and suffering.

This weekend in particular, we offer up prayers of thanks to our health care workers and pray God will use them as his instruments to provide healing and show love to all who enter their care.
