

Volunteers Thank You

It was great to see so many of our volunteers joining the parish team for our annual Volunteer Thank You Dinner last Thursday.

We would also like to offer our thanks to all other Volunteers in our parish community who couldn't attend the dinner.

As 2023 draws to a close I ask you to reflect on all the things you have done for others and our Parish. Volunteers like you use their time and talents to make the world and their communities a better place. Your individual efforts no matter how small make our communities better, smarter, livelier, happier and wiser and make so many things possible around our parish community.

Being a volunteer is a demanding task, so thank you for contributing so much of your time, energy and efforts to it. Unity of passion and compassion is a rare gift, but a gift that shines in each of you. You are a true gift and a force of benevolence when it comes to helping others. Thank you for being an inspiration to others and may the good you have done be returned to you a hundredfold. Your participation and contribution prove that you have a big heart and demonstrates your love for others.

Every day we are grateful to God for providing us with the best volunteers in town, which is you. You truly are a divine blessing, so thank you very much.

As a parish community we look forward to your continued support in 2024 and wish you all the best for the Christmas season and the year ahead.
