Vox Episcopi - The Voice of the Bishop - 2 March 2023

My dear brothers and sisters in Christ,

During the first week of Lent I saw a meme on social media which said, "you're fasting during Lent but not praying? I think that's called dieting."

It is very easy to take our eye off the mission, which is to begin and end with Jesus Christ. The negative consequence is that the season of Lent, with its three sure fast patterns of penance: alms giving, prayer, and fasting, tend to become all about us.

Jesus teaches us that to follow him as a disciple, we need to be vigilant in our relationships – with others, with God, and with ourselves.

This time of penance is not a call to scrupulosity or rigid practices of religion. It is an invitation to eternal life, which begins with small acts of selflessness, carried out with humility and simplicity. I repeat what I said on Ash Wednesday when we began our Lenten journey, "what we do in Lent will hopefully impact upon who we are for the rest of the year".

Last weekend I had the pleasure of admitting Richard Houwing and Hien Vuas Candidates for Sacred Orders. Richard has been journeying along the pathway to the Diaconate and Hien is on the way to Priesthood. Both men have been preparing well and I am confident that they will make a great contribution to the mission in the Church of Broken Bay.

I am grateful to those who have accompanied them in their formation thus far, and invite you to continue to support and encourage Richard and Hien as they are called to Sacred Orders.

+ *Anthony*

Gospel Reflection

© Greg Sunter

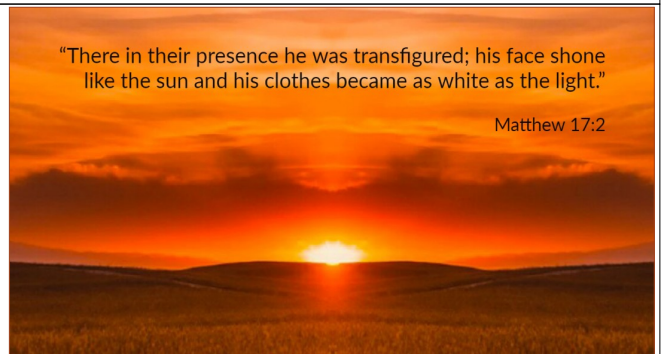

In all three versions of this Transfiguration event that appear in the gospels of Matthew, Mark and Luke, the context in which the event occurs is identical.

That's a little unusual with these three gospel writers who like to put their own spin on events and often play with the chronology or settings of events. However, in this case, all three writers report the Transfiguration

event as taking place immediately after a particular sequence of events. Jesus has asked the disciples who they think he is and Peter has made his confession of faith by declaring that Jesus is the Messiah. This declaration is followed by Jesus teaching about the demands of discipleship and then the account of the Transfiguration. Furthermore, all three versions are directly followed by an account of a man who brings his possessed son to Jesus for healing after the disciples have tried and failed to cast out the demon.

When all three of the synoptic gospels use the same story with little variation and all three retain the same context around the event then there are some pretty clear signals that this was a commonly accepted sequence of events and their sequence holds significance. The core message of this sequence of stories is about the faith of the disciples. Whilst Peter declares Jesus to be the Messiah, he and the others don't really yet know what this means. In the Transfiguration, they are given the clearest possible indication of Jesus' identity and yet they're confused and scared by what they witness. The following failure by the disciples to cast out a demon shows that they still haven't understood fully who and what Jesus is.

During this Lenten season, like the disciples, we are called to consider who Jesus is and what role he plays in our lives.

Important Notice: Permanent change to our weekday Mass Schedule.

Dear parishioners, I write to you all to let you know, that I have written to Bishop Anthony requesting a permanent change to the weekday Mass times and locations in the parish. As you are aware, for almost 10 months, the parish has been operating with just the single Mass per morning, always at 9am but with opportunities to attend Holy Mass available at both churches. It is my fervent wish to return to offering as many morning Masses as possible, however, this has its challenges when there is only the one priest in the parish, i.e. Mondays and Tuesdays, and in the case of illness of a priest.

To that end I now share with you my proposal to the Bishop.

Time	St Bernard's Berowra Heights	Time	St Patrick's Asquith
8am	Thursday	8am	Wednesday & Friday
9.15am	Wednesday & Friday (this time change allows school children of SBB to join morning Masses)	9am	Monday // Tuesday // Thursday & Saturday

I would welcome your thoughts on this change, so if you wish to proffer an opinion, please email me at: parishkccp@bbcatholic.org.au by 31 March 2023.

It is anticipated the change will take place from Easter Monday (10th April [earliest] or Monday 17th April [latest]). In the meantime a single morning Mass at 9am will continue in the parish under the current schedule.

When considering this change, I would ask that you remember, whilst our parish has two churches we are **ONE PARISH** and a morning Mass will continue to be offered every morning in **THE PARISH**.

Some welcome news from our Vicar General ~

Our churches are once again free to return to the availability of holy water in fonts at the entrances to our churches. however, common sense should prevail. As we seek to maintain the fonts in the most hygienic way possible, the final choice rests with the individual ~ to use or not to use the holy water ~ is therefore a matter of personal consideration for your health and safety. For the time being, however, the Eucharist must only be distributed to the Faithful through the Body of Christ. The sharing of the Chalice amongst the people is not yet to be reintroduced. (VG 18-2-23)

A letter from Bishop Anthony Randazzo on **Safeguarding Leadership and Accountability** ~ 28 February 2023.

My dear brothers and sisters in Christ. In recent months, I have been reflecting on how we might broaden and deepen our Safeguarding commitment in the Diocese. We all share the responsibility to build cultures of care and safety in which the young and the vulnerable are protected. In my role of Bishop, I have been acutely aware this task is never complete, and we can never be complacent. There has been great and increased awareness in society generally, and in the Church in particular, about our safeguarding responsibility. Our Parishes, Schools, CatholicCare, and Chancery recognise proactive Safeguarding is to be marked by consistency and constancy. We must all be vigilant in that commitment. In building on our whole-of-diocese approach, I am announcing a new Diocesan Framework for Diocesan Safeguarding Awareness. This Framework endeavours to recognise and support Safeguarding publicly as an entire year commitment rather than relegating it to a select short period in the year. It is only when our Safeguarding awareness is integrated into all that we do that we can be assured we are truly deepening our shared responsibility and being vigilant. Included in the features of this innovative Diocesan Safeguarding Awareness Framework are:

- An annual theme allowing for flexibility that can be delivered throughout the year in various formats and to various groups
- Promotion of events supporting the theme and engaging the expertise of leaders in the field
- Our annual Liturgy of Lament now to coincide with the annual anniversary of the National Apology. This year, our diocesan Liturgy of Lament will occur on 12 October 2023.
- The highlighting and promotion of national markers throughout the year, such as, amongst others, International Day of Families (15 May), World Elder Abuse Awareness Day (15 June), & National Children's Week (23-20 Oct.).

For the theme of Safeguarding Awareness for 2023, I have chosen "Safeguarding Leadership and Accountability." Along with our Safeguarding teams, I look forward to developing and engaging with this theme over the coming year in our Parishes, with our Clergy, Schools, CatholicCare and Chancery. Over the coming weeks and months our Safeguarding personnel will communicate events, resources, training and strategies, and work with you in experiencing and delivering this initiative. I pray the introduction of this new Diocesan Safeguarding Awareness Framework will express and strengthen our shared commitment and responsibility. Let us take this forward with renewed vigour so that we remain ever vigilant for the protection of everyone, especially the most vulnerable, in our family of faith. Sincerely yours in Christ, *+ Anthony*

Working in a child-related ministry in the Catholic Diocese of Broken Bay: Paid and volunteer workers who have direct face to face contact with children (under 18 years) are required by law to obtain a Working with Children Check number. Please note though, exemptions may apply in some cases. The Parish is the employer of the paid or volunteer worker and therefore is required by law to verify the Working with Children Check number. All paid or volunteer workers engaged in a child-related role must have a clear Working with Children Check to work in a child-related ministry. This disclosure references the legislation, *Child Protection (Working with Children) Act 2012*.

Recent tree removal in grounds of St Bernard's Church, has been undertaken, to negate possible litigation arising from injury to persons/vehicles/and neighbouring property. A significant number of dead, dying and dangerous trees had to be removed and the PFC (when considering these necessary and essential works) factored the cost of the project into the parish budget. Application to Council was submitted, the site inspected, Council permission granted and the decision to proceed made. A local tree lopper was engaged and removal works are now complete. 40 trees will be planted over time to replace those removed.
